Near Pact Vote Scheduled Tuesday

for Reservations to Monday in Senate

AP)—The Senate general debate on the clear test ban treaty will require a two-thirds majority — 67 if all 100 senators are on hand.

40,000 Words Daily
An unofficial Associated Press survey shows 82 senators either announced for or inclined to vote for ratification 15 against and three — Sens. Howard Cannon, D-Nev., John L. McClellan, D-Ark., and Margaret Chase Smith, R-Maine — undecided.

Debate during the past two weeks has averaged 40,000 words a day.

Sen. Len B. Jordan, R-Idaho, became the 15th senator to announce he will vote against the treaty and Sen. Olin D. Johnston, D-S.C., removed himself from the

Molasses Hampers Expressway Traffic

PHILADELPHIA (AP)—Traffic was as slow as molasses Friday on the Schuylkill Expressway. Four gallon jugs of syrup bumped off a truck. The glass smashed and the syrup spread.

Firemen finally covered the syrup with sand and went to work with mops covered with burlap.

1968 Set as Target Date

Methodists, United Brethren Bishops Report on Merger Plan

CHICAGO (AP)—Thirteen bishops of the Methodist Church and the Evangelical United Brethren Church have unveiled a plan to form an 11 million-member United Methodist Church.

The plan to unite the two denominations of parallel history was announced Friday following a two-day meeting in Chicago. Talks and study have been underway for about eight years.

Merger in 1968
The target date for final merger is 1968. Another joint meeting in Nashville in December will refine the plan for submission to the Methodist Church's general conference in Pittsburgh next spring.

Approval there is "almost a certainty," a spokesman said. The EUB Church would act on the proposal at its 1966 general conference in Wichita, followed by action at lower levels.

Methodist Bishop Glenn R. Phillips of Denver, joint president of the Chicago meeting with EUB Bishop Reuben H. Mueller of Indianapolis, termed the plan a move "to strengthen the Protestant voice."

600 Died in Hurricane 25 Years Ago

BOSTON (AP) — Twenty-five years ago today, one of history's worst hurricanes struck New England. Winds up to 186 miles per hour were recorded. Tidal waves smashed on the coastline of Connecticut, Massachusetts and Rhode Island.

At least 600 died, many swept out to sea or buried under tons of sand hurled onto beaches.

Property damage was estimated at \$500 million.

In Providence, R.I., pedestrians drowned in waters which flooded the downtown section. Along the shoreline, countless homes were smashed and many of their occupants killed.

Fire Out of Control
In New London, Conn., there was a general alarm fire at the height of the hurricane. Firemen were almost helpless as they tried to fight the fire, which destroyed a quarter of a square mile of the business section.

The storm left a hopeless tangle of fallen power and telephone lines; shattered railroad tracks; washed out bridges and mountainous heaps of lumber which once had been dwellings or boats.

A huge oil tanker was tossed ashore at Somerset, Mass., its bow within a few feet of a highway.

Most coastal drinking water was contaminated by salt water or debris.

Byrnes Asks Spending Cut With Slash in Taxes

President's Joint Moon Shot Plan Has Strong Backing

Statement in U.N. Bolsters Hope for Easing of Tensions

BY TOM HOGE
UNITED NATIONS, N.Y. (AP) — President Kennedy's dramatic bid for a U.S.-Soviet moon expedition won generally enthusiastic reaction. His moderate policy statement stirred guarded hopes for progress in easing cold war tensions at the U.N. General Assembly session.

Kennedy's address Friday, following an unusually mild policy speech by Soviet Foreign Minister Andrei A. Gromyko, heartened diplomats weary of bitter exchanges between the two big powers.

Gromyko welcomed the conciliatory nature of Kennedy's speech, but reserved comment on specific proposals, pending study. He also conveyed to Kennedy the "warm personal greetings" of Premier Khrushchev at a reception after the President's speech.

Soviets Soften Stand
Gromyko's remarks seemed to support the growing hope that the Soviets, seared by the Cuban crisis and differences with Peking, are more interested in East-West amity than in rocket-rattling.

Kennedy told the 111-nation assembly the world may have reached "a pause in the cold war." He set out basic U.S.-Soviet differences, but called for further steps in easing cold war tensions, specifically by pooling U.S. and Soviet space research and experience for a moon shot.

Delegates praised the tenor of Kennedy's speech and echoed his call for peaceful settlement of East-West differences.

Enthusiasm Wanes
There was considerable speculation why Kennedy suggested the joint moon expedition. Some delegates expressed the belief that Kennedy feels the United States cannot beat the Soviets to the moon on its own.

It was noted that U.S. space officials at Cape Canaveral voiced disappointment over this as an indication that the President seems ready to abandon the U.S. moon project.

His suggestion came at a time when public enthusiasm for the project apparently is waning. Costs are spiraling and Congress no longer is rubber-stamping space agency money requests.

Delegates agreed that a common Turn to Page 3, Col. 2

Laird Believes Devaluation of Dollar Likely

Predicts Action If U. S. Does Not Change Policies

WAUSAU (AP)—Rep. Melvin Laird, R-Wis., said Friday the United States "is like a bankrupt who owes money all over the lot," and predicted devaluation of the dollar within 18 months after the 1964 presidential election if present policies continue.

Laird also said the U.S. has been signing short term IOUs when foreign governments claim gold for their dollar reserves, but that the IOUs won't come due until after the election.

"Time is running out and the President knows it," Laird said in an address at a meeting sponsored by the national affairs committee of the Local Chamber of Commerce.

Topic Rest of World
"When one considers that the United States public debt of some \$307 billion is \$24 billion higher than the combined national debts of all other countries in the world," the congressman said, "it becomes obvious why other countries which rely on the stability of the dollar for international transactions are questioning America's ability to maintain the value of the dollar."

Laird said there has been a deficit in the balance of payments every year since 1950 except one, and that unless remedies aimed at the fundamental cause of the payments problem are soon initiated, the United States will face grave, eventually insoluble problems.

He said the nation "pleads with the foreign holders of dollar reserves not to cash these dollars in for gold. We are like a bankrupt who owes money all over the lot and pleads with his creditors not to take him into court and file bankruptcy proceedings."

"In recent months," Laird said, "we have signed high interest, short term IOUs for \$654 million to Germany, France, Switzerland and Italy. Most of these notes were for 20 months at an interest rate of 3.2 per cent to 3.55 per cent. Obviously they don't come due until after the 1964 election. All they accomplish to the postponement of the inevitable day of reckoning."

Congressman Asks GOP Demand in Nationwide Appeal Over TV, Radio

Promises are not enough, Byrnes said.

"What we need is a firm, unbreakable commitment... we simply ask that Congress make this tax cut contingent upon fulfillment of the promise to control spending."

Byrnes said his amendment would neither delay the bill nor change the size or the nature of the tax cut.

Commenting on Rep. Byrnes' speech, Rep. Hale Boggs of Louisiana, the Democratic House whip and also a member of the ways and means committee, said: "It is astonishing that Republicans can't even be for business if the plan is sponsored by a Democrat."

Boggs argued that "the sure way to keep chronic deficits is not to pass a tax bill."

Chinese Reds Hit by Russia

Kremlin Charges Pekin Wants Own Atomic Power

BY GEORGE SYVERTSEN
MOSCOW (AP) — The Kremlin claimed today that Red China's opposition to the limited nuclear test-ban treaty is based on its desire to acquire "the atomic bomb at any price."

The Soviet government told the Chinese to concentrate on economic development instead and suggested they be grateful to the Soviet Union for developing nuclear weapons "for the defense needs of the entire Socialist camp."

Reply to Chinese
It said the Soviet Union holds superiority over the United States in weapons tested in the atmosphere, under water and in space. It noted that the nuclear treaty still permits the testing of weapons underground.

The Kremlin gave its view in a statement in response to a Chinese charge Sept. 1 that the Soviet Union had been placed at a disadvantage by the treaty.

The statement was the first of a two-stage reply. The Soviet news agency Tass said. The second installment will be published Sunday, the agency said. The first part was published in Moscow

Quintuplets Weighed In Their Incubators

ABERDEEN, S.D. (AP) — The Fischer quintuplets — all 15 pounds, 10 ounces of them — observed their first week's birthday today with their weights on record for the first time.

"Lovely, squalling and kicking" was the word from St. Luke's Hospital where the four girls and a boy have been since their arrival.

Tiny scales pushed through plastic cuffs of the incubators showed that James Andrew, as expected, was the heaviest at 3 pounds, 13 ounces. The smallest is Mary Ann, first born and named after her mother, who weighed in at 2½ pounds.

The second and third arrivals, Mary Magdalene and Mary Catherine, weigh 3 pounds each and Mary Margaret, last after James Andrew, weigh 3 pounds, 5 ounces.

Good Weather for Green Bay Game

Fox Cities — Variable cloudiness Saturday becoming fair Saturday night and Sunday, not much change in temperature. High today near 66, low tonight about 45. High Sunday around 70. The winds will be light from the northwest.

Appleton — Observations for the 24-hour period ending at 10 a.m. today, high, 64, low 47. The temperature at 10 a.m. was 57. Winds were from the north at six to eight miles an hour. The barometric pressure read 30.22 and steady. Appleton recorded a trace of precipitation during the night Friday.

Sun sets at 6:34 p.m., rises Sunday at 6:49 a.m. Moon sets at 6:01 p.m. Prominent star is Sirius.

Madame Ngo Dinh Nhu, left, and her daughter, Ngo Dinh Le Thoy, wearing native dress stride through Belgrad Airport Friday before boarding plane for Athens, Greece. Madame Nhu, the politically powerful first lady of South Viet Nam, said in the Yugoslavian capital that Soviet Premier Khrushchev is more dangerous than Mao Tze Tung, the Red Chinese boss. She said Khrushchev's type of coexistence is not genuine and only a form of subversion. (AP Wirephoto)

Two Fined for Topsy Driving

Winneconne and Hortonville Men Also Lose Licenses

Verne Christianson, 38, 238 W. Main St., Winneconne, was fined \$150 and his drivers license was revoked for one year by Winnebago County Judge James V. Sitter after he changed a plea of innocent to guilty of drunken driving.

Christianson was arrested May 2 by Winnebago County Police on State 110 in the Town of Oshkosh.

French Police Arrest Assassin

PARIS (AP) — Police reported Thursday the arrest of a gunman sentenced to death in absentia for firing at President Charles de Gaulle in an unsuccessful ambush near Paris Aug. 22, 1962.

Hungarian-born Lajos Marton, 32, was arrested in the Paris area 12 days ago by special police assigned to track down subversives, the report said.

Testimony at the trial of 14 persons who were convicted for the attack revealed that Marton had fired at the tires of De Gaulle's car.

Under French law, fugitives sentenced in absentia are automatically retried when caught.

Husband Kills Wife in Lawyer's Office

SPARKS, Nev. (AP) — Robert and Rosemary Lewis were discussing divorce terms in an attorney's office Thursday night.

The attorney, Murray V. Dolan, said Lewis, 50, of Anaheim, Calif., seemed calm. But during the conference, Lewis suddenly got up, went to his car and returned with a .38 caliber revolver.

He shot his wife to death, then killed himself, police said.

Mrs. Lewis, 44, had come to Nevada Aug. 10 to establish a Nevada residence and wait the required six weeks to obtain a divorce. Police said the couple had three sons, the youngest 18 years old. They had been married 37 years.

Animal Lover Doesn't Like Snake Addition

PUTNAM VALLEY, N. Y. (AP) — Paul Stouffer likes animals. He lives with three dogs, a cat and a monkey.

Recently he found a volunteer addition to his little menagerie lounging around his bathroom. Stouffer promptly hacked it to death with a knife.

It was a four-foot-long copper-head snake.

3 Men Plead Innocent on Conduct Count

NEW LONDON — Two New London men and an Appleton man denied disorderly conduct charges stemming from a fight in front of Metzlaff's Bar, 519 N. Water St., Sept. 14.

Police received a call, but when they arrived at the scene the fight already had broken up and Duane Schneiderwendt, 32, 3340 N. McCarthy Road, Appleton, one of the men involved, already had left. The other two men, Nile Watters, 36, 1414 N. Water St., New London, and John Muskevitch, 53, 217 Lincoln St., New London, signed a disorderly conduct complaint against Schneiderwendt.

Schneiderwendt appeared before Municipal Justice Herman H. Platte, denied the charge, posted a \$50 bond and then signed similar complaints against the two New London men. Watters and Muskevitch appeared in court, denied the charges and posted \$50 bonds.

Justice Platte set Schneiderwendt's trial for Sept. 26 and the trial for Watters and Muskevitch Oct. 2.

Mrs. Nhu Lashes At Khrushchev

BELGRADE, Yugoslavia (AP) — Mrs. Ngo Dinh Nhu, the politically powerful first lady of South Viet Nam, declared today Soviet Premier Khrushchev is more dangerous than Mao Tse-tung, the Red Chinese boss.

"We are for coexistence," she said in an interview at the close of a nine-day visit to Belgrade, "because of the geographical and strategic position of our country. But for genuine coexistence.

"The Khrushchev type of coexistence is not genuine. It is only a form of subversion."

Elaborating, the sister-in-law of President Ngo Dinh Diem said: "Khrushchev wants world domination just like Mao Tse-tung. But, while Mao is loud, beating the drums, Khrushchev pursues his aims quietly.

"The means of Khrushchev might succeed much easier than those of Mao."

Driver Ruffled On 23rd Birthday

ROCHESTER, N.Y. (AP) — Charles Ruffie became slightly ruffled on his 23rd birthday.

Ruffie was driving through downtown Rochester yesterday when he was stopped by the police and given tickets for:

1. Driving with an insecure load (of wood);
2. Driving an unregistered truck;
3. Driving with no insurance;
4. No directional signals;
5. No stop lights;
6. Insecure license plates;
7. No operator's license;
8. No splash guards;
9. Improper weight markings;
10. No rear reflector;
11. Driving an uninspected truck;
12. Driving with an unregistered trailer.

The Melancholy Days

Fall—the Preparation for Winter—Starts as Summer Ends Sept. 23

WASHINGTON — For many Americans summer ended on Sept. 3, 1963, when they reluctantly made their way home after the last holiday of the season.

For millions of school children, summer ended as they put on new clothes, picked up blank notebooks and sharpened pencils, and heeded the call of the school bell.

For astronomers, however, summer ends at precisely 1:24 p.m., EST, on Sept. 23—the time of the autumnal equinox.

Day Equals Night

Twice a year, as the earth spins through space, its axis leans neither toward nor away from the sun and, for a brief moment, the sun passes directly over the equator. These two moments mark the beginning of spring and fall, the National Geographic Society says.

In both hemispheres, day and night are the same length. The term "equinox" comes from the Latin words for "equal night."

Nights gradually become longer than days in the northern hemisphere after the autumnal equinox. As the earth moves onward in its orbit, its northern half begins to tilt increasingly away from the sun.

Temperatures drop. Trees begin to take on magic touches of color. Dew is heavy, and then a filling of frost traces a pattern on the ground to delight the early riser.

Fall becomes a time of preparation for the rigors of winter.

Birds gather in flocks, alter a summer of relative solitude, for companionship on the long journey south. Squirrels that lazed the warm months away burst into a frenzy of activity, stocking their winter caches of food. In the deep woods, lumbering bears devour

Divorces Granted To Two Women

Two divorces were granted in Outagamie County Court Branch 3 Friday by Judge Raymond P. Dohr. Cruel and inhuman treatment was charged in both cases.

Divorced were Leola Lappen, 19, 715 E. Ninth St., Kaukauna, from Patrick, 22, of Chilton, and Betty Rettela, 38, 2722 N. Richmond St., from William, 38, 117 N. Appleton St.

Mr. and Mrs. Lappen were married Oct. 8, 1960, and separated June 21, 1963. There were no children and no alimony or support was ordered. A property settlement was made and Mrs. Lappen was awarded use of her maiden name of Schuchart.

Support of \$10 per week for one child was ordered by the court to be paid by Rettela. The couple was married June 22, 1947 and separated May 24, 1963. There was no alimony and a property settlement was agreed on.

Today's Deaths

Alfred J. Rondou, 63, 204 E. Glendale Ave., Appleton.

George Werts, 82, 223 S. Karlyn St., Kimberly.

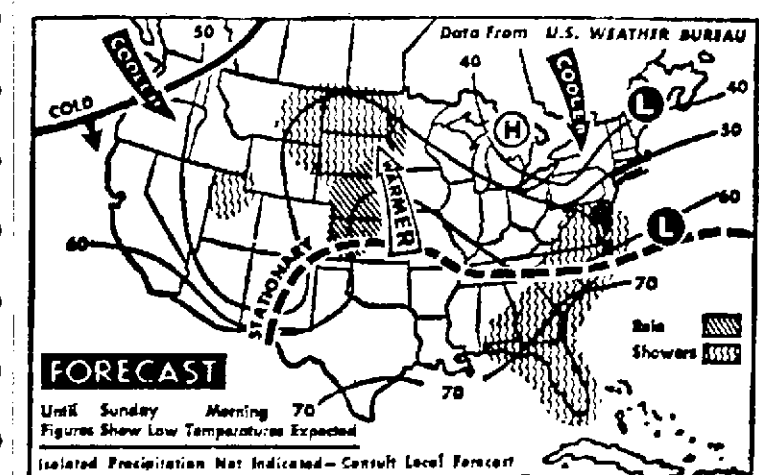

Mrs. James F. Hobbins, 86, 1303 W. Prospect Ave., Appleton.

Gust Wisniefski, 86, 72 West St., Clintonville.

Edward A. Grothe, 60, 93 W. 14th St., Clintonville.

Deaths Elsewhere

O. P. Schneider, 77, 904 Hamilton St., Racine, formerly of Menasha.

Occasional Light Rain is expected Saturday night over the central Plains while scattered showers are due in the northern Plains, central Plateau and most of the southeastern Atlantic coastal region and east Gulf coast states. It will be cooler in the northern half of the nation except for parts of the northern Plains where slightly warmer weather is expected. (AP Wirephoto Map)

Norse Have New Official Crisis

OSLO, Norway (AP)—Normally stable Norway was plunged into its second governmental crisis in less than a month when the country's first non-Socialist government in 28 years fell Friday night.

The Storting — parliament — brought down Premier John Lyng's Conservative-led coalition by a 76-74 vote.

Two left-wing Socialists provided the margin by joining with ex-Premier Einar Gerhardsen's Social Democratic Labor party — Socialists — to oust the 23-day-old Lyng coalition by voting down its domestic program.

Gerhardsen's government fell last month on charges of mismanagement of state-owned mines resulting in a rash of mine fatalities.

Secretaries Err Less

A survey in Chicago showed that stenographic errors increased by 1,000 per cent during the hot summer months, while efficiency was at its peak in the fall and spring.

The name for September, month of the autumnal equinox, comes from the Latin septem, meaning seven. According to the old Roman calendar, which began the year in March, September was the seventh month.

But it is October, from the Latin octo or eight, that brings the real feeling of autumn.

Foliage reaches the height of its color around Columbus Day in northern states, slightly later as one travels southward. Reports of snow in mountain communities begin to appear in the daily newspapers.

It's then time to clean the furnace, put up storm windows, check the car for anti-freeze, and change to snow tires.

Denies Selling Beer To Minors, Trial Set

Norman C. Mompier, 41, owner and operator of a Hortonville bowling alley, pleaded innocent Friday of selling beer to underage customers. He has posted bond at \$125. Trial in Outagamie County Court Branch 2 will be held Nov. 12.

Mompier was charged after the alleged violation in his bowling alley was reported to the Outagamie County Sheriff's Department Sept. 4 and 5.

Steinhilber Demands Broad Basis for Talks

CONTINUED FROM PAGE 1

of position of Bureau (Bureau of Economic Regulation) counsel. Since that statement was issued, the Federal Aviation Agency has made it clear that they likewise disagree with the statement bureau counsel has made in this regard.

"Winnebago County certainly cannot ignore the obvious, and agree to your preconceived ideas prior to a broad discussion of airport needs in this area."

Outagamie Port

Steinhilber also wrote that state law which "envisages at least one airport in each county" does not

mean that all such airports should correspond to the needs of airlines.

"Winnebago County would not presume to say that Outagamie County should not have suitable airport facilities of its own for the purposes of general aviation, and whether or not your present airport is suitable is a decision for your county and the other agencies involved to make."

Steinhilber declares in his letter to Ponath that the issue in the Civil Aeronautics Board hearing is the promotion of the best airline service possible for the areas now served. Winnebago County's contention is that under present circumstances, it is suitable as a regional airport for the areas now served under the grounds rules and criteria set forth by the CAB in its original notice ordering these hearings, he states.

"It does not seem unreasonable to us to take the position that this county cannot agree in advance to scrap a successfully operating air facility prior to sitting down for discussion with your representatives.

"It also seems reasonable that with the knowledge that Fond du Lac County and other neighboring areas are deeply interested in the continuance of reasonably accessible air service, that they should be considered in any changes which are to be made.

"As I have previously pointed out," the Winnebago County district attorney wrote Ponath, "our mutual interest is or should be the best possible air carrier service for the entire Fox River Valley at the least possible expense to the taxpayers. Therefore, conferences in which provincial thinking dominates would be a waste of time, as you state."

Appleton's Jail Good Place . . . If You Like It

Appleton's city jail is a good place to stay — if you like that sort of thing.

It was inspected Aug. 22 by Vern A. Verhulst of the Wisconsin Department of Welfare's division of corrections, who makes a living out of going to jails.

Verhulst, a detention supervisor, wrote Mayor Clarence Mitchell today that he was happy to report that the jail was being maintained in very good condition in regard to cleanliness, sanitation and appearance.

Philippines Drop Agreement With U. S.

WASHINGTON (AP) — The Philippines has formally terminated a 17-year-old arrangement under which the United States protected Philippine interests in countries such as the Soviet Union where the Manila government had no diplomatic representation.

State Department officials, making this known today, said it represented the end of an era of close cooperation between the U.S. and the Philippine foreign service.

Also, it reflected the desire of the Philippine government to take on its own representation or designate some other third country to perform those functions, officials said.

LEGAL NOTICES

ADVERTISEMENT FOR BIDS

Fuel Oil

The Library Board, Appleton, Wisconsin, will accept sealed bids on No. 2 Fuel Oil for the winter of 1963-64 for the Appleton Public Library. Specifications are to meet Major Company Specifications for seasonal requirements of approximately 12,000 gallons.

Bids will be accepted up to 5 p.m. on September 24, 1963, at the office of the Head Librarian, 127 South Oneida Street, Appleton, Wisconsin.

The Library Board reserves the right to reject any or all bids and to waive all formalities in connection therewith.

WHO?

WHO?

WHO?

IS THIS MYSTERIOUS STRANGER?

Why does the sight of this seemingly friendless old man strike terror into the heart of Mrs. Ashley Iranton, social leader of Devon? Pop Jones and daughters Juliet and Eve make a startling discovery!

Don't miss this dramatic new story in . . .

THE HEART OF JULIET JONES

STARTS THIS SUNDAY

in the big color comics section of the

SUNDAY POST-CRESCENT

Follow each dramatic sequence to conclusion

in the daily classified pages of the

POST-CRESCENT

TAX SALE NOTICE

Office of County Treasurer
Outagamie County
September 13, 1963

NOTICE IS HEREBY GIVEN that on the third Tuesday, being the 15th day of October, 1963, at my office in the Courthouse at Appleton, Wisconsin, I shall sell to Outagamie County so much as may be necessary of each tract of land upon which the taxes have been returned as delinquent and are on said date still unpaid, for the payment of the taxes and interest due thereon. This sale will include all real estate listed in the county treasurer's official records of delinquent taxes for the tax levy year 1962 except public lands held on contract and lands mortgaged to the state.

If you are in doubt as to whether the taxes on your land are paid, consult the County Treasurer.

PAY YOUR TAXES NOW!

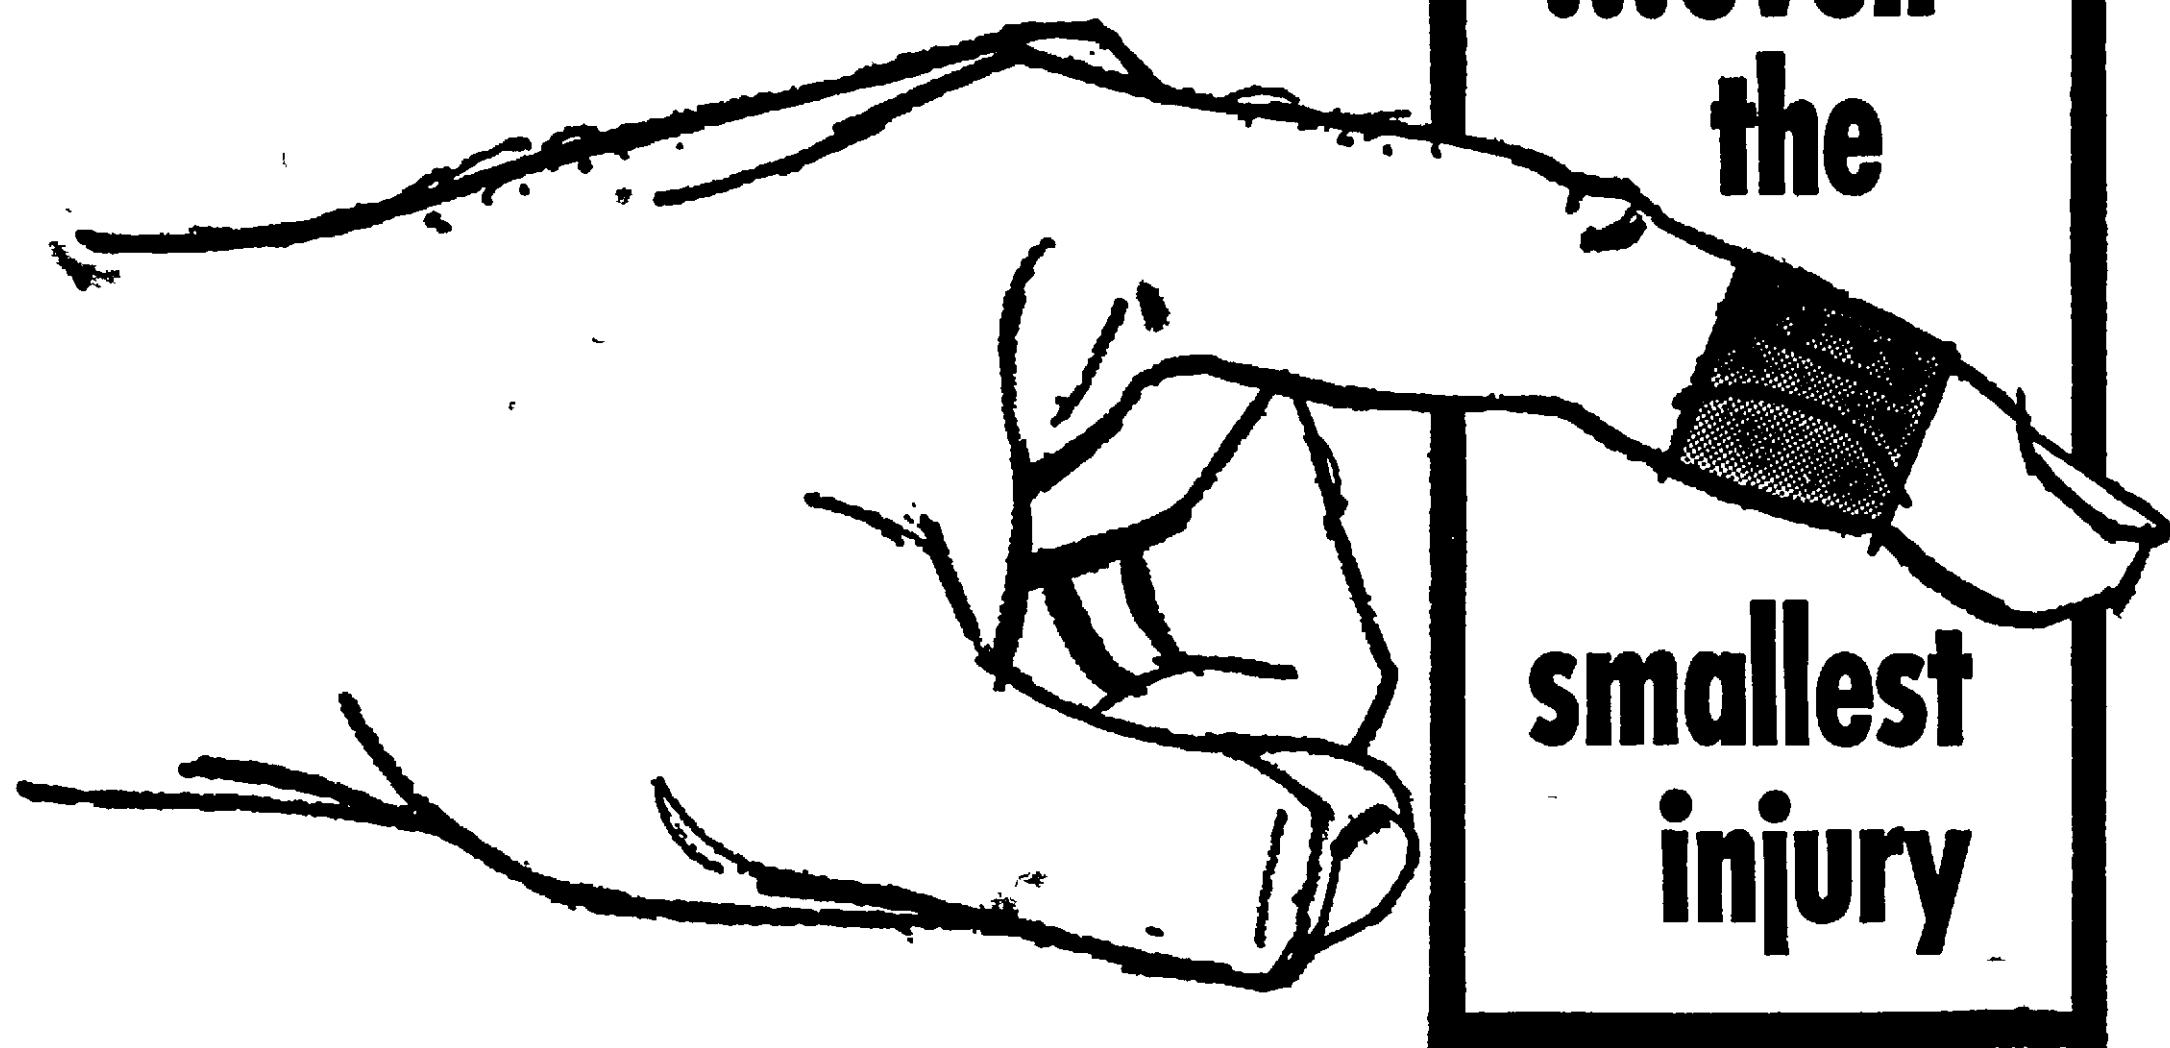

By so doing you will prevent sale of your property for taxes and you will stop the further addition of interest charges.

This Sale Is Not Open To The Public
The County Will
Purchase These Delinquent Taxes

RAYMOND A. BENTZ

County Treasurer
Outagamie County

IF IT HURTS-IT'S COVERED!

for only
50¢
a month

Accidents - even small ones - can be painful and expensive. Only your doctor can ease the pain but this policy will help with the unexpected expense. One visit to your doctor for proper treatment of a small cut, burn or bruise and you receive up to \$6.00 - an amount equal to one entire year's premium. Of course most fractures, dislocations and accidental deaths are covered too!

The Appleton Post-Crescent offers this multi-coverage accident policy with benefits ranging from \$6.00 to \$12,500. The small 50c premium means everyone can afford accident insurance. Cash benefits are paid immediately upon receipt of claim, and are paid in addition to any other compensation you may have.

YOUR EMERGENCY CASH BENEFITS

PAYS for MINOR INJURIES
Common, Everyday First Aid Care

Doctor's 1st Visit, up to... \$ 6.00

Low Bid on Water Tower Work Accepted

Illinois Firm to Repair, Paint Kaukauna Structure

KAUKAUNA—The utility commission accepted low bid of Neumann Co. Contractors for \$5,500 for repair and painting of the water tower.

Five bids were received ranging from the low bid by the successful bidder of Oak Lawn, Ill., to a high of \$8,350. Work is to be started within 10 days and be completed within 30 days. This will include priming and painting, welding pits and other repair work.

The utility manager was authorized to secure bids for the painting of steel street light standards and to obtain price quotations on ornamental floral baskets for attachment to street light poles. Samples of the baskets are to be furnished for study by the commissioners.

Demolition Bids

The commission is seeking bids for the demolition and removal of two open lumber storage sheds, millwork shed and the lime and cement shed on Elm Street, the structures formerly owned by Lieber Lumber Company.

The utility purchased the Lieber firm earlier this year for water and power plant expansion and added equipment storage area. Some existing buildings are to be retained for equipment storage. One of the structures has been made available to the city for storage.

Bids on the demolition are to be filed with the utility manager by 4 p.m. Oct. 2. Bidders are to remove all debris resulting from demolition and lumber and other salvage will be the property of the successful bidder.

Police Hunt Thieves Who Took Car Shift, Tried to Take Trailer

A car parts thief who uses a can opener in his work, a missing screwdriver and the attempted theft of a house trailer drew the attention of Appleton detectives.

A three-speed stick shift was taken from a used car at the Sherry Motor used car lot, 325 W. Washington St., Wednesday night. An employee at the firm said the thief used a can opener tool to rip up the floor board in the car to get at the shift. Damage was estimated at \$100 and the shift was valued at \$20.

Irving Ellenbecker, Dale, reported a screwdriver taken from his truck glove compartment while the truck was parked on Douglas Street Wednesday night. The glove compartment had been forced. Also missing was a book of gasoline station trading stamps.

A small house trailer in the yard of the William Peotter home, 2020 N. Meade St., was knocked off its jacks when someone backed a car up to the trailer and attempted to hook it to the car bumper. Police found tire tracks near the trailer. The hitch on the trailer was locked and could not have been hooked to a car, police found.

'63 Xavier Graduate Enters Order of Christian Brothers

Rudolph Kundert, a 1963 graduate of Xavier High School, entered the Christian Brothers today as a postulant.

Rudolph, son of Mr. and Mrs. Harold Kundert, 1506 Bartel Drive, will be a member of the first class of postulants of the newly formed Winona Province of the Christian Brothers.

He is the second Xavier alumnus to enter the order which provides teachers for the boys' department at Xavier.

Brother Peter, Xavier principal, drove him to St. Mary's College, Winona, Minn.

Bear Creek Bar Owner Fined \$50

A Bear Creek tavern owner who maintained an underage youth in his tavern was accompanied by his parents, was fined \$50 and court costs Friday by County Earl Surprise, 47, owner and operator of Surprise's Welcome Inn, maintained in a brief prepared by his attorney that an under age youth found in his tavern last summer was, for a time, accompanied by his parents.

The youth did not come to the tavern with his parents, but they entered the tavern sometime after the youth arrived. When the parents left, the youth did not leave with them, according to testimony taken during the trial Aug. 8.

Judge Keller ruled that the law allowing youths to enter liquor taverns in the company of their parents was not proper defense in the case and ruled in favor of Dist. Atty. Nick F. Schaefer. The charge against Surprise was brought by David Fletcher, Bear Creek constable.

100 Transfer Students at Appleton High Number Includes 9 Former Pupils; 29 From Xavier School

A total of 100 transfer and former students have enrolled at Appleton High School this fall.

The number includes nine former students who did not attend AHS or one of the Appleton junior high schools last year, 29 former Xavier High School students, one former Fox Valley Lutheran High School student, 44 from other Wisconsin cities, and 17 from out of state.

The new students include 22 seniors, 34 juniors and 44 sophomores. Three former students entered each class. Four seniors, 12 juniors and 13 sophomores transferred from Xavier. One sophomore transferred from Fox Valley Lutheran.

Eleven Seniors
Eleven seniors, 15 juniors and 18 sophomores came to AHS from other Wisconsin cities. Four seniors, four juniors and nine sophomores transferred from out of state.

Three foreign students who are seniors at AHS are Mounir Nimatallah, Cairo, Egypt, and Jeanne Reff, Luxembourg, American Field Service exchange students, and Hikaru Kubo, Kyoto, Japan, here on a private exchange.

The 17 out-of-state transfers came from 13 states: Minnesota, New York, California, Arizona, Nebraska, Iowa, Ohio, Washington, Idaho, Georgia, Michigan, Oregon and Illinois.

Xavier Requests Charter to Start Quill, Scroll Club

Xavier High School has applied for a charter to start a chapter of the Quill and Scroll Club, the national honor society for students who work on school publications.

Robert Detloff and Miss Kathleen Hayden will be moderators of the club, and also will act as faculty advisors to Xavue, the school newspaper.

Plans are underway to increase the number of issues of the Xavue, with the hope that eventually it will be issued weekly. The advertising department of the newspaper is being expanded in order to finance this.

The Future Teachers Club at Xavier, open to girls only last year, has opened its membership to boys and sent out an appeal for members from the boys' department. The Latin Club is engaged in a similar endeavor.

Robert Strick is organizing a Camera Club, which will be new to Xavier. It is planned that the Camera Club members will serve as the photographic staff of the Xavue.

"Where to Now?" was a question often heard as students milled about the corridors for the first day of classes in the new Kaukauna High School addition. Students are shown strolling through the student commons area, one of the more attractive areas in the new structure. (Post-Crescent Photo)

Used Gun Recklessly; Man Put on Probation

OSHKOSH — Ronald Koch, 32, 242 S. Park Ave., Oshkosh, was

placed on probation for two years at his estranged wife, Sandra, by Judge James V. Sitter for reckless use of firearms. Koch had pleaded guilty earlier to pointing an unloaded shotgun

Today in History

By THE ASSOCIATED PRESS

Today is Saturday, Sept. 21, the 264th day of 1963. There are 101 days left in the year.

Today's highlight in history:

On this date in 1784, the first daily newspaper to appear in America—the Pennsylvania Packet and Daily Advertiser—was published in Philadelphia.

On this date

In 1452, the Florentine preacher and reformer, Girolamo Savonarola, was born.

In 1776, the first naval battle of the American Revolution was fought on Lake Champlain.

In 1792, the French National Assembly voted to abolish the monarchy.

In 1927, construction was begun on the George Washington bridge linking New Jersey and New York.

In 1939, President Franklin D. Roosevelt asked Congress to repeal the U.S. arms embargo.

Ten years ago... Two former premiers of Egypt and 11 former

Saturday, Sept. 21, 1963 Appleton Post-Crescent 88

aided of ex-King Farouk were arrested on charges of conspiracy against Egyptian President Nasser.

Five years ago... Four Americans arrived in Hawaii after drifting 2,260 miles on a 46-day voyage from Long Beach, Calif., in an attempt to prove that the Ancients could have drifted from the mainland to populate the Hawaiian and other Pacific islands.

One year ago... The Soviet Union warned in the United Nations that an attack on Cuba by the United States would mean war.

Egyptian Exchange Student Speaker at AHS History Classes

Mounir Nimatallah, American Field Service exchange student from Cairo, Egypt, spoke to the world history classes of Ade Dillon at Appleton High School Monday.

He discussed the historical background, customs and manner of living in Egypt, and outlined the recent changes since the revolution.

Mr. and Mrs. Gordon Bubolz, whose son Gerald is a senior at AHS, are the host parents of Mounir.

Red Feather Fund Depends On Everyone

The importance of everyone giving through this year's United Red Feather Campaign was stressed at the organization meeting of the public-civic division of the campaign by Royce Kurts, division chairman.

Helping Kurts as team captains are Mayor Clarence Mitchell, city employees; Harry Stafflen, county employees; Frank Donnich, state and federal employees; Robert Tucker, community organizations; Jack Koiterjahn, schools, and Douglas Harms, colleges and hospitals.

This division is seeking \$9,300 of the campaign goal of \$173,143. The campaign goal in support of 10 agencies is 9 per cent over the amount given for these agencies last year.

The campaign goal has not been met in over five years, pointed out Norman Gois, campaign co-chairman. This means more than ever that the increased goal must be met this year, he said.

Thanks A Hundred Billion!

This month the savings and loan associations of the United States have passed the one hundred billion dollar mark in assets.

We are proud to be a part of this achievement. To you, our customers, we say: "Thanks A Hundred Billion!"

Today savings and loan associations, known also as cooperative banks and homestead associations, make more home loans than all other financial institutions combined.

Sees Need for Auto-Brain in Paper Industry

Neenah Executive Keynote Speaker at Wausau Conference

WAUSAU — A prediction was made here Thursday that the automatic computer can be expected some day to become as important in the paper industry as it is in others.

Russell C. Flom, Menasha, vice-president and general manager of the American Can Co.'s Marathon division, who made the prediction, added that such a day "certainly will come, but I suspect not as soon as some would have us believe that the computer will take over."

Flom gave the keynote address on "Pulp, Paper, People — The Success Team" at the fall meeting of the Paper Industry Management association's northwestern division. He pointed out that recent advances in the paper making technology and the likelihood of continued progress "afford a greatly changed concept of what will be required" of mill personnel in the future. He said the chief ingredient of this new concept will be increased knowledge on the part of mill managers, superintendents, foremen and machine operators.

Success Team
"If all of us who are concerned with the operating end of our pulp and paper manufacturing enterprises are alert enough to recognize what will be required of our people," Flom declared, "and then if we diligently set about the job of helping to equip them and ourselves with the knowledge and training that will be necessary, then I am sure that pulp, paper and people will indeed be a success team."

Two Mishaps In Clintonville

\$300 in Damages Recorded as Car, Truck Collide

CLINTONVILLE — Two accidents were reported in Clintonville on Thursday in which damages exceeded \$400 to the vehicles involved, according to the Clintonville police who investigated.

At 1:15 p.m. Thursday at the intersection of 16th and Anne Streets, an accident occurred as the car driven by Anton G. Bohr, 80, 45 S. Main St., Clintonville, came off Anne Street to continue north and crossed in front of a Foreway Transportation Co. truck of Wausau, driven by Robert L. Schultz, 26, route 1, Clintonville, going west on 16th Street. Minor damage resulted to the truck and estimated \$300 damages were to the right side of the car.

Fined \$10
Bohr was fined \$10 in court Friday before Municipal Justice Nathan Wiese on a charge of failure to yield right of way.

Mrs. Bohr, a passenger in the car, was checked at a doctor's office for bruises.

No one was injured in an accident at 12:05 p.m. Thursday when two cars collided at the intersection of McKinley Avenue and Wilson Street in which the damages exceeded \$100. The right front fender of the car driven by Francis Williams, 44, 166 Roberts St., Clintonville, and the left front headlight of the car driven by Elmer C. Thullen, 45, 33 S. Main St., Clintonville, were damaged.

Minister Will Talk on Purpose Of Man's Life

NEW LONDON — "A Purpose to Live For" will be the sermon of the Rev. Wesley Sharpe during services at 9 a.m. Sunday at the Northport Methodist Church and at 10:30 a.m. at the First Methodist Church here.

Rev. Gus Kasten, missionary appointee to the Philippines, will be the guest speaker during services at 11 a.m. at Faith Baptist Church. The Rev. Mr. Kasten will show colored slides of the Philippines at the 7:30 p.m. service.

"God's Gifts" will be the topic of the Rev. Alfred C. Davis during services at 9:15 a.m. at the Royalton Congregational Church and at 10:45 a.m. at the First Congregational Church here.

Emphasis on Missions At Clintonville Church

CLINTONVILLE — Mission Emphasis Sunday will be Sept. 29 at the Christus Lutheran Church. Dr. Conrad Becker, president of Wartburg College, Waverley, Ia., will be guest speaker. His topic will be "Christian Higher Education." Refreshments will be served by the Luther League.

Bear Creek PTA Sets Meeting in November

BEAR CREEK — A discussion of the values of a Parent-Teacher Association highlighted the first meeting of the year of the Bear Creek High School PTA.

A lunch was served by Mrs. Robert Dennison, Mrs. Lee Havlick and Mrs. David Fletcher. The group will meet again in November.

Post-Crescent Columnist Charles House ties his hiking boot prior to starting his colorful seasonal walk into autumn today. Charlie spent the night at Hotel Chilton and started about 9 a.m. today from there. He will be traveling throughout the Fox Valley area on his way to Sturgeon Bay. (Post-Crescent Photo)

3rd Time in 6 Years

Chilton FFA Team Winners at DePere

CHILTON — For the third time in six years the Chilton High School Future Farmers of America livestock judging team emerged as champions of the Northeastern Wisconsin Livestock Show at De Pere.

The other victories came in 1953 and 1959. In between victories the Chilton group managed two

second place finishes and one third.

It was the second win for the Norman Pautz-coached team since the event's traveling plaque was established five years ago. A third victory by Chilton will retire the plaque to the high school trophy case. If the plaque had been established a year earlier, it would have been retired by the Chilton win this year. The team won in 1953, a year before the plaque, and repeated in 1959, the year it was introduced.

Team Members

Members of the team that bested 40 other FFA judging units are Richard Koehler, Eugene Hansen and Vernon Gasch.

The contest is sponsored by the State Board of Vocational and Adult Education.

The Chilton FFA chapter's judging prowess is not restricted to the De Pere event. For the past two years the team has placed second in state poultry judging competition at Madison.

Actor Richard Boone, above, is in a Santa Monica, Calif., hospital with serious injuries suffered early Friday when his foreign sports car hit a parked auto near his Pacific Palisades home. His head hit the windshield and his chest broke the steering wheel. (AP Wirephoto)

Auto Mishaps Lead to Fines

CHILTON — Traffic accidents on Calumet County highways led to fines for two motorists in County Court this week.

Fined \$65 for inattentive driving was John Cayo, 24, Marina, Calif. The forfeiture stemmed from a July 17 accident in the Town of Harrison.

Harvey J. Schwoerer, 19, route 2, New Holstein, was fined \$50 for driving too fast for conditions. The car driven by Schwoerer was involved in a property damage accident Aug. 30 in the Town of Charlestown.

Both arrests were made by county police.

Lutheran Social Club Meets at New London

NEW LONDON — The Lutheran Social Club entertained four guests Wednesday at the home of Mrs. Anton Sievers, 515 E. Douglas St.

Prizes were won by Mrs. Arthur Hintz, Mrs. Emil Wolf, and the guest prize was won by Miss Dorothy Suchman.

The next meeting will be Oct. 2 at the home of Mrs. Henry Dobberstein, 414 Wallace St.

St. Martin School to Close Monday, Tuesday

CLINTONVILLE — There will be no school at the St. Martin Lutheran school Monday and Tuesday. The teachers and pastors will be attending a fall conference.

On Oct. 4, Principal and Mrs. Florian L. Felts will attend a principals' conference at Green Bay.

Obligation to Help Better Government Told

WAUSAU — Businessmen have a civic and moral obligation to help make government better, Leonard E. Pasek, president of the Effective Citizens Organization, told members of the Paper Industry Management Association here Thursday.

Speaking at a luncheon during the annual meeting of the northwestern division of PIMA, Pasek warned, "The very system which has made it possible for you to be managers and to have the better jobs in your community. . . will not take much more eroding from the tidal waves in Madison, St. Paul, Lansing and Washington."

Business Role

Pasek, director of public affairs for Kimberly - Clark Corp., pointed out that throughout modern history it has been the prerogative of private citizens to criticize their government and try to improve it. Businessmen played an important role in civic, social and economic affairs, as well as in government, for the first 140 years of our history, he noted, until overindulgence got them into trouble.

There followed a period in which businessmen were browbeaten until — about the time of the Teapot Dome scandals — they withdrew from government activity and didn't begin to resume their responsibilities until the time of the Eisenhower administration, he said.

Pasek credited General Eisenhower with reviving the interest of businessmen in government. Eisenhower was alarmed, Pasek said, by the general lack of political activity by businessmen during the 1952 campaign and declared that "politics ought to be the part-time profession of every citizen who would protect the rights and privileges of free people."

300 Firms

More than 300 U.S. companies now have organized public affairs programs, all working with the Effective Citizens Organization. In order to be truly effective, such company programs must recognize and encourage employees' rights and responsibilities in active party work, Pasek said, and management must provide leadership and itself participate.

Well Known Horseman at 'Wega Dies

WEYAUWEGA — Claude Edwin Hinchey, 75, a former harness horse owner and racer, died at 6 a.m. Friday in Riverside Hospital after an illness of 14 years.

Funeral services will be held at 1:30 p.m. Sunday in the Bauer funeral home. Burial will be in Oakwood cemetery.

Born Aug. 12, 1888 at Royalton, Hinchey was widely known in the Midwest as a harness horse trainer and owner. He built the barn at the Waupaca County Fair grounds and donated it to the Waupaca County Agricultural Association.

He was a former owner of the then Ace Dental Manufacturing Company which was founded by his father. He operated the business until it was sold several years ago. It is now known as the Ace Manufacturing Company.

Divorce Granted Man On Desertion Charge

WAUPACA — Lawrence J. Laux, 51, 18 W. 12th St., Clintonville, was granted a divorce from Mrs. Eleanor Laux, Chicago, this week in County Court by Judge Wendell McHenry on grounds of desertion.

They were married Nov. 29, 1952, in Chicago and separated Feb. 15, 1961. The action was filed April 30, 1963. There were no children affected by the decree.

Homemakers Assigned Jobs

Mrs. Donald Hillman Gives Assignments For Calumet County

CHILTON — Calumet County Homemaker committees for the organization's 1963-64 year have been announced by Mrs. Donald Hillman, route 2, Brillion, president.

Mrs. Alfred Baumann and Mrs. Lawrence Rau, both of Chilton, will serve as co-chairmen of the Christmas festival committee. Working with them in making arrangements for the event, which will be held here, are Mrs. George Juckem, Mrs. Herb Goeldi and Mrs. Orville Schaar.

The scholarship and youth committee will be headed by Mrs. James VanDaalwyk. Serving with her will be Mrs. Joe Mirsberger and Mrs. Russell Gasch.

Mrs. Edgar Greve is chairman of the health and safety committee. Assisting her will be Mrs. Delbert Lau and Mrs. Frank Ortleib.

Foods and nutrition committee chairman is Mrs. Andrew Kolbe. Committee members are Mrs. Clayton Miller, Mrs. Daniel Vollmer and Mrs. Donald Sattler.

Planning the achievement day program is the responsibility of a committee headed by Mrs. Irvin Kessler. She will be assisted by Mrs. Orville Baltz and Mrs. Paul Westenberg.

Each of the county's three areas or centers has two nominating committee delegates. They are Mrs. Arthur Kopf and Mrs. Eugene Van Daalwyk, Center I; Mrs. Arthur Haltinner and Mrs. Wayne Meyer, Center II, and Mrs. Clyde Schley and Mrs. Ted Krueger, Center III.

Rexford Mothers' Club Will Convene Monday

CLINTONVILLE — An organizational meeting of the Mothers' Club of the Rexford-Masonic Temple kindergarten classes will be at 8 p.m. Monday at the kindergarten room at Rexford School.

A slate of officers will be presented by the nominating committee.

Kindergarten teachers are Mrs. Carl Schultz, Rexford, and Mrs. Clarence Ehler, Masonic Temple.

Swings at the Old Elm Lawn School in Shawano County stand idle this fall. Students from the school recently were transferred to the Nichols Elementary School as part of the student realignment program of the new Seymour Community School District. The Elm Lawn School, east of Nichols, was the first of six one-room schools closed for the 1963-64 term by the new district board. (Duffey Photo)

Three-Pronged Ground Play Gives Chilton EWC Victory

Hard-Running Tigers Bypass Kiel Defense, Win Tilt, 26-7

EASTERN WIS. CONFERENCE						
	W	L	T		W	L
New Holstein	2	0	0	Oostburg	1	1
Kohler	2	0	1	Kiel	0	2
Chilton	2	1	0	Plymouth	0	2
Valders	2	1	0	Brillion	0	2
Shok. Falls	1	1	1			

Friday's Results:
Chilton 26, Kiel 7.
Kohler 14, Valders 7.
Shok. Falls 12, Brillion 3.
Oostburg 20, Plymouth 7.

BY DON KAMPFER Post-Crescent Staff Writer

CHILTON — The Chilton Tigers parlayed a three-pronged running attack and a hard-nosed defense into a 26-7 Eastern Wisconsin Conference win at Kiel Friday night.

Elsewhere in the conference Brillion lost a hard-fought contest at Sheboygan Falls 12-3; Kohler nipped Valders 14-7 with a fourth period touchdown and Oostburg got its first win of the campaign by downing Plymouth 20-7.

The big three in Chilton's leather-lugging department at Kiel were Math Lavey, Jim Daun and Tom Dhein. Lavey rambled for 122 yards, 119 of them in the first half, and scored two touchdowns to pace the Tigers to their second win against one loss.

Lavey produced the contest's crowd pleaser in the second quarter when he slanted off right tackle, jammed a Kiel Raider with a neat stiff arm and raced for 71 yards and a touchdown. He also scored Chilton's first TD on a two-yard plunge in the first period and kicked the first two conversions to account for all the Tiger first half scoring.

Take Kickoff

Chilton took the opening kickoff and marched downfield on a sustained 67 yard scoring drive despite a scoring play that was called back because of a penalty. Lavey scored from the three and kicked the point.

The Raiders returned the kickoff to their 35 and three plays later Chilton's Scott Wilson picked off a pass and returned to the Kiel 45. The interception set off a series of miscues.

Chilton drove to the Kiel 32 and fumbled with John Meizel, recovering for Kiel. The Raiders ran off a few plays and fumbled the ball back to Chilton with Paul Juckem recovering on the Kiel 32. The Tigers got off their second consecutive fumble on the first play from scrimmage and Kiel again recovered. Chilton's defense stiffened and forced the Raiders to punt with the Tigers taking over on their 22.

Then came the Tigers' third straight fumble on a play from scrimmage and Kiel's third straight recovery.

The Raiders took over the ball on the Chilton 28, hit a desperation fourth down pass to move to the Chilton six and were pushed back to the 12 when they surrendered the ball on downs. Despite the loose play, the defense was not to be deterred and gave Kiel a 10 yard rushing deficit in the first half.

Fall To Move

In the second half Kiel failed to move after receiving the kickoff and punted to the Tiger 47. Chilton set out on what seemed to be a scoring drive, rolling to the Kiel 27 when Sten Becker picked off a Jeff Ware pass to set up the only Raider scoring.

Becker returned to the Kiel 45. Scott Ottemann, on runs of 24, eight and five yards, was the mainspring in the drive that carried to the Chilton six before being capped by a scoring pitch from Jim Olm to Jim Wedge. Glen Conrad booted the point and it was 14-7.

After a scoreless third period, Chilton took a Kiel punt on its 43 and drove over with Tom Dhein getting the big gains of 18, five and 12 yards. Jim Daun

went over from the two and the kick never got under way after a bad pass from center.

Chilton's fourth touchdown was pushed over by a second string backfield after Kiel failed on a desperation fourth down play and surrendered the ball to Chilton on the Kiel 34.

Scott Wilson ran the team and Dave Schaefer provided the power that carried to the two. Howie Schneider, on his only carry of the contest, went over from there and the kick was wide.

Passing Off

The Tigers rolled up 296 yards rushing but failed to complete a pass. One of the two aerial attempts was incomplete and the other was intercepted. Chilton had 15 first downs to five by Kiel.

The Raiders had 60 yards overall; 21 rushing and 39 passing on five completions in 14 attempts. At Sheboygan Falls the highly touted host Falcons battled for their first win, a 12-3 conquest of Brillion.

The victors drew first blood when they drove 60 yards for a touchdown in the second quarter. The Falcons got possession on their 40 and moved to midfield before sending John Arnoldi on a 46-yard scamper that placed the ball on the Lion four. The Lion defense stiffened and held for two line shots but on the third play Tom Moiffer went over from the two off right guard.

A penalty cost Brillion a chance to tie or go ahead in the third period. The Lions held Falls on its 23 and a partially blocked punt was recovered by the Lions on the Falcon 20.

First Down

Jerry Krueger took two cracks at the line and got a first down for Brillion on the eight but a penalty set the Lions back and they settled for a field goal by Jim Ross from the 16.

The Falcons got their insurance TD late in the game. Mike Welch ripped a Brillion drive by picking off a Jim Ross pass and returning to the Brillion 34. Terry Heidreiter got off a 19 yard dash that was the big gainer and Steve Mueller scored from the three.

Brillion's offense totaled 163 yards with 117 coming on the ground and 46 passing on three completions in nine attempts. One Lion pass was intercepted. Brillion had nine first downs.

Falls rolled for 271 yards with 269 rushing and only two passing on four completions in 11 attempts. Two Falcon passes were intercepted. They had 11 first downs.

Defeat Vikings

At Valders the Kohler Blue Bomber rolled on as the league's dark-horse by defeating the Vikings 14-7 on a fourth period touchdown.

Jim Sciotte capped a 45 yard Kohler drive for the game's first TD in the first period. Sciotte went over from the one and Maki passed for the point. Valders tied it at 7-7 in the third period when Cliff Brennan, back in the Viking lineup for the first time this year, rammed over from the 16 to end another 45-yard march. Brennan plunged for the point.

Maki dove over from the one for the winning TD late in the fourth period.

Oostburg extended the Plymouth humiliation by beating the Panthers 20-7. Dave Hilbelink scored all three Dutchmen TD on runs ranging from 1 to 12 yards.

Police Convention

NEW LONDON — Chief of Police Jack V. Algiers, will leave Monday for Milwaukee where he will attend a three-day state chiefs of police convention.

Begin Hunt for School Design

Marion Committee Screens Candidates For Proposed Job

MARION — A three-member committee to screen architect candidates to design a proposed new grade school building here has been appointed by Marvin Hintz, school board president.

The committee members are Frank Buss, James Rogers and Clarence Dieck.

The action came after a discussion with officials of a consulting firm retained by the board of education. Homer Dodge and T. G. Evenson, of the Evenson consulting firm of Minneapolis, took part in the discussion on the need for expanded educational facilities here. The firm will aid the board in making the public aware of the need for a new building and will, in the future, assist in the bond sale to finance new construction.

Principal Malcolm Anderson detailed the problem of space requirements in the present school facilities.

In other action the board reaffirmed its policy of prohibiting students from smoking during the school day whether on school grounds or not. The board also voted to support a policy of no driving of cars by students during the school day.

State Meeting Conducted by Chilton Pastor

CHILTON — The Rev. Quentin Moeschberger, pastor of Ebenezer United Church of Christ served as moderator of a state conference of the United Church of Christ committee on publicity and mass media at Madison Wednesday.

The Chilton pastor is publicity chairman of the denomination's Northeast Association — the state is divided into four associations — and the sector was commended for its efforts at news coverage.

Representatives of the four areas attended the session and decided to publish a brochure listing the summer service schedules of all UCC congregations in the state. The brochures will be made available to chambers of commerce for distribution to tourists who want to attend church services.

Sunday School Class Teachers Discuss Lessons at Navarino

NAVARINO — Sunday school teachers at the Lutheran Church convened this week for a book review and Bible study in connection with class lessons through the fall season. The Rev. Ned Westphal was in charge of the study.

The Rev. and Mrs. Walter Aumoth, formerly of Iola, were house guests at the home of Mr. and Mrs. Norman Torgerson.

Other Minnesota visitors in Navarino were James and Phillip Klingelheets of St. Paul, who stayed with Robert Christianson for several days.

Calumet OES Chapter To Meet Monday Night

CHILTON — The local Eastern Star unit will open its fall season with a meeting at 8 p.m. Monday at the Masonic Temple.

Slated for discussion is the group's annual "Friend's Night" program to be held in October, and the forthcoming state OES convention at Milwaukee.

Senior Cheerleaders at Clintonville Senior High School are, from left, Shirley Fillnow, Bonnie Krubsack, Sue Kasson and Sue Barker. Absent when the picture was made was Jane Beggs, alternate. (Laib Photo)

Fall—the Preparation for Winter—Starts as Summer Ends Sept. 23

WASHINGTON — For many Americans summer ended on Sept. 3, 1963, when they reluctantly made their way home after the last holiday of the season.

For millions of school children, summer ended as they put on new clothes, picked up blank notebooks and sharpened pencils, and heeded the call of the school bell.

For astronomers, however, summer ends at precisely 12:44 p.m., EST, on Sept. 23—the time of the autumnal equinox.

Twice a year, as the earth spins through space, its axis leans neither toward nor away from the sun and, for a brief moment, the sun passes directly over the equator. These two moments mark the beginning of spring and fall, the National Geographic Society says.

In both hemispheres, day and night are the same length. The term "equinox" comes from the Latin words for "equal night."

Nights gradually become longer than days in the northern hemisphere after the autumnal equinox. As the earth moves onward in its orbit, its northern half begins to tilt increasingly away from the sun.

Temperatures drop. Trees begin to take on magic touches of color. Dew is heavy, and then a full-grown frost traces a pattern on the ground to delight the early riser.

Fall becomes a time of preparation for the rigors of winter. Birds gather in flocks, after a summer of relative solitude, for companionship on the long journey.

Verne Christianson, 35, 336 W. Main St., Winneconne, was fined \$150 and his drivers license was revoked for one year by Winnebago County Judge James V. Sitter after he changed a plea of innocent to guilty of drunken driving.

Christianson was arrested May 2 by Winnebago County Police on State 110 in the Town of Oshkosh.

Mr. and Mrs. Lappen were married Oct. 8, 1960, and separated June 21, 1963. There were no children and no alimony or support was ordered. A property settlement was made and Mrs. Lappen was awarded use of her maiden name of Schuchart.

Support of \$10 per week for one child was ordered by the court to be paid by Rettele. The couple was married June 22, 1947 and separated May 24, 1963. There was no alimony and a property settlement was agreed on.

LEGAL NOTICES
ADVERTISEMENT FOR BIDS
Fuel Oil

The Library Board, Appleton, Wisconsin, will accept sealed bids on No. 2 Fuel Oil for the winter of 1963-64 for the Appleton Public Library. Company Specifications for seasonal requirements of approximately 12,000 gallons.

Bids will be accepted up to 5 p.m. on September 24, 1963, at the office of the Head Librarian, 121 South Onondaga Street, Appleton, Wisconsin.

The Library Board reserves the right to reject any or all bids and to waive all formalities in connection therewith.

ney south. Squirrels that lazed the warm months away burst into a frenzy of activity, stocking their winter caches of food. In the deep woods, lumbering bears devour colossal meals to carry them through their winter sleep.

In the country, farmers are busy with their fall harvest, some even working at night under the glare of floodlights. Squash and pumpkins, apples and cider make their appearance on a multitude of roadside stands.

To the city dweller, the changes of autumn are perhaps not as noticeable. But with the arrival of colder weather, the mind seems to clear, the step to quicken.

Secretaries Err Less
A survey in Chicago showed that stenographic errors increased by 1,000 per cent during the hot summer months, while efficiency was at its peak in the fall and spring.

The name for September, month of the autumnal equinox, comes from the Latin septem, meaning seven. According to the old Roman calendar, which began the year in March, September was the seventh month.

But it is October, from the Latin octo or eight, that brings the real feeling of autumn.

Foliage reaches the height of its color around Columbus Day in northern states, slightly later as one travels southward. Reports of snow in mountain communities begin to appear in the daily newspapers.

It's then time to clean the furnace, put up storm windows, check the car for anti-freeze, and change to snow tires.

Appleton's Jail
Good Place . . .
If You Like It

Appleton's city jail is a good place to stay — if you like that sort of thing.

It was inspected Aug. 22 by Vern A. Verhulst of the Wisconsin Department of Welfare's division of corrections, who makes a living out of going to jails.

Verhulst, a detention supervisor, wrote Mayor Clarence Mitchell today that he was happy to report that the jail was being maintained in very good condition in regard to cleanliness, sanitation and appearance.

Today's Deaths
Alfred J. Rondou, 63, 204 E. Glendale Ave., Appleton.
George Werts, 82, 223 S. Karlyn St., Kimberly.
Mrs. James F. Hobbs, 86, 1303 W. Prospect Ave., Appleton.
Gust Wisniewski, 86, 72 West St., Clintonville.
Edward A. Grothe, 60, 93 W. 14th St., Clintonville.

Deaths Elsewhere
O. P. Schneider, 77, 904 Hamilton St., Racine, formerly of Menasha.

Home Improvements
Home improvements courses are offered in furniture refinishing, interior decoration, drapery and lampshade construction, holiday workshop (either 10 or 20 weeks) and rugcraft. Auto mechanics for women will be offered both semesters in the home management section.

Courses during the spring session (March 16 to May 18) will be upholstery, slip covering and construction of bedspreads, vanity skirts and draperies. During the six-week session from March 16 to April 20, flower arranging, tailoring, hat design clinic, and beginning, intermediate, advanced and general clothing clinics will be offered.

Art classes offered in the general subjects department will be water color, basic drawing, painting fundamentals (second semester), and oil painting.

Other general subjects courses will be organizational management, ergative writers roundup, applied psychology, advanced psychology (second semester), child psychology (second semester), jewelry and lapidary, vocabulary building, accelerated reading (sessions for high school students only offered both semesters, and a general session offered the first semester), ceramics, salesmanship, public speaking and principles of life insurance.

Twenty-week business education courses (Sept. 30 to March 13) include beginning typewriting, review shorthand theory, beginning bookkeeping, intermediate bookkeeping, English improvement and machine calculation.

Halt Electrical Fire
NEW LONDON — The New London Fire Department made a run to the Harold Woeschnick home at 108 E. Pine St. at 6 p.m. Friday when the electrical cable leading into the house started to burn. The fire charred the cable and a small area around it.

Lutheran High Teachers Attend Summer School
Many Fox Valley Lutheran High School teachers attended college summer sessions or took special courses for their own benefit during the recent summer vacation.

The Rev. Harold Warnke spent part of the summer teaching at Doctor Martin Luther College in New Ulm, Minn. Miss Phyllis Kretzmann also attended this school while taking religion courses.

Three F.V.I. proctors attended schools in Wisconsin. Miss Lois Hellerman studied at Wisconsin State College - Oshkosh, Gerold Schultz at the University of Wisconsin in Madison, and David Ummus at Wisconsin State College - La Crosse.

Gerald Mallmann taught a science course at New Ulm. He also took a dogmatics course and attended Camp Bird for two weeks as a field naturalist.

Miss Karen Pahl and Lynn Sackenheim studied at Mankato, Minn. Sackenheim attended courses in statistics, consumer economics and counseling.

Denies Selling Beer To Minors, Trial Set
Norman C. Mompier, 41, owner and operator of a Hortonville bowling alley, pleaded innocent Friday of selling beer to underage customers. He has posted bond at \$125. Trial in Outagamie County Court Branch 2 will be held Nov. 12.

Mompier was charged after the alleged violation in his bowling alley was reported to the Outagamie County Sheriff's Department Sept. 4 and 5.

Appleton Sewer Bids Will be Opened Oct. 29 Work Will Begin in Fall and Continue Through the Winter The Appleton Common Council will open bids on pipe and other materials for the major Walnut Street sewer construction project Oct. 29. At their meeting Wednesday night, aldermen approved plans and specifications for the storm sewers. Concrete and corrugated metal pipe has been recommended by the engineers for the project which will get underway in the fall and continue through the winter months. It is expected materials alone will cost between \$400,000 and \$500,000. The city has started to advertise and will accept alternate bids. The project, which will alleviate chronic flooding in the central city area, will include new sewers for Walnut Street, a portion of College Avenue and State Street. A considerable amount of tunneling work will be required with city engineers having recommended poured-in-place concrete for that phase of the construction. In other action, the council: Issued a class A retail liquor license to A & L Liquor, 213 S. Walter Ave. One license was available and originally four persons applied for it. Received a report that parking meter collections during August totaled \$15,876. Requested the state highway commission to conduct another traffic count, including all turning movements, at the Memorial Drive-Prospect Avenue intersection. Some aldermen claim that information obtained from a previous count is outdated.

Joint Moon Shot Plan Given Strong Support

Continued from page 1
bined moon journey would do a lot for East-West unity. Editorial reaction in London generally enthusiastic. In Bonn, West German government and opposition leaders joined in hailing the speech. The Soviet news agency Tass gave extensive summaries of Kennedy's address but made no mention of his moon shot proposal. Kennedy's expression of support for civil rights in the United States and human rights around the world were seen by Moscow Radio as propaganda. Cuba Boycot Speech Kennedy returned to Newport, R.I., Friday night after a cordial reception from delegates and from U.S. citizens employed by the U.N. Cuba boycotted his speech. Carlos Lechuga, head of the Cuban delegation, said he did not want to hear "distortions of truth" from Kennedy in regard to the Cuban revolution. The Israeli seats were vacant because it was a Jewish holiday. Gromyko's mild speech Thursday was in sharp contrast to the bitter invective the Soviets usually employ when addressing the world forum. But Gromyko's attack on West Germany made many delegates wonder how far the Soviet Union really intends to go in lessening tensions in that direction. U.S. Ambassador Adlai E. Stevenson commented that Gromyko's professed aim to lower international

Quiz Kid Stars in Defense

The prettiest hand in the recent national tournament in Los Angeles was defended by Richard A. Freeman, of Washington, D.C. Freeman, one of the original Quiz Kids of radio fame, is one of the great bridge stars of the country and is a living legend at the highly technical job of tournament scoring. Freeman led the ace of diamonds when this hand came along in the Mixed Team Championship. His partner, Mrs. Louise Robinson, of Hendersonville, N.C., played the ten of diamonds, considering this a high enough card to encourage a continuation. Freeman led another diamond to the queen, and back came the five of hearts. South played low, and Freeman won with the jack. Now Freeman made a fast off-

Man Objects to Nail Polish; Says Hands Like Eagle Talons

DEAR ANN LANDERS: A referee is needed. Will you serve? I have been told for as long as I can remember that I have very beautiful hands. My nails are long and the type that do not break. It so happens that I especially like platinum frosted nail polish. I keep my nails perfectly manicured and people are always commenting on them. The other evening, much to my surprise, the man I've been going with for several months said, "Why don't you stop wearing that hideous nail polish? Your nails look like an eagle's talons." I was dumfounded but made a quick recovery and told him I would choose the kind of nail polish I liked — and for the time being I like this. Do you feel perhaps I should do as he suggests just to please him? Or should I refuse to be pushed around? — Tarsus

DEAR ANN LANDERS: I don't see any evidence that he is trying to push you around. The man simply let you know he doesn't like your nail polish. I say stop wearing the platinum frosted stuff. If your nails and hands are as lovely as you say, any shade of polish will look well. The man will be flattered and you will have lost nothing. (P.S. I agree with him. I don't like that platinum frosted stuff, either.)

DEAR ANN LANDERS: We moved into our new home only a few days ago. It is a charming place, just what we've been looking for — but I think we may have trouble with the woman next door. I'm writing to ask how to handle the problem before it starts. When our van of furniture pulled up this neighbor hauled a lawn chair over to the edge of her property — as close to ours as she could get. She sat there the whole time the van was unloaded, examining every piece of furniture as it was carried into our home.

HINTS FROM HELOISE

Dear Heloise: What do you do when you have an expensive hi-fi, three teenagers (yes, we had them all at one time) and the teen-agers come in the house, remove your expensive records and throw their scratched records on and ruin your best diamond needle? Daddy Boy Heloise Boy: We all have the same problem! My answer was to put a piece of tape on the little "turner" which indicates "this needle belongs to Johnny."

Dear Heloise: I have two needles. Every time I buy a diamond needle, I remove the old diamond needle and put it in "his" special slot! At least it saves your needle. The only thing you have to do then is: Teach Johnny to use "that" needle! If he doesn't, other readers say: "It's time to get the hairbrush out." "Pull the tube out of the hi-fi so they State Highway Commission and can't play it (but don't tell the Motor Vehicle Department kids)." "Forbid them to use the hi-fi." Is this a letter of laughter? If so, there's lots of laughter among our readers. Heloise

Dear Heloise: Some mothers might like to know it's very practical and handy to have baby's bathnettle in the kitchen if space permits. It's extremely handy to the water supply, the floor is not marked with splashing water because the bathnettle can be pulled next to the kitchen sink and it makes a good place to put a small baby if he is awake and just happens to want company when dinner must be fixed! Heloise

Chinese Reds Hit by Russia

Continued from page 1
newspapers and distributed by Tass today. Moscow charged that the Chinese position amounts to "complete apostasy from the common, collectively formulated line of the Communist movement." Leaders Criticized The document contended that the Chinese leaders are unable to prove they need nuclear weapons "in the interests of China and of the entire Socialist camp." Because of the worldwide approval of the treaty, the Chinese by their opposition to it "have suffered a serious moral and political defeat," the Kremlin said. It said the reason it is not helping China with development of nuclear weapons is that any increase in such weapons in Communist countries "would immediately cause a chain reaction in the imperialist camp, the atomic cancer would spread all over the globe, increasing the nuclear war danger manifold." Moreover, the statement said, "it is known very well that China does not possess extra funds" to build atomic bombs.

Senate Plans Vote Tuesday On Nuclear Pact

Continued from page 1
doubtful list by announcing he will vote for it. Jordan said that he would gladly vote for the treaty if it "provided for full inspection" to assure Soviet compliance. Demands Full Inspection "Without full inspection our best chance for survival as a nation is to maintain a competent weapons superiority and a national determination to annihilate any aggressor who dares to strike the first blow," he said. Johnston said if the Senate rejects the treaty "we are saying that we have given up all hope for peace and we are telling the world it must look forward only to an endless dark age of cold war and ever-threatening nuclear attack." Backed by Hickenlooper Sen. Bourke B. Hickenlooper, R-Iowa, senior Republican member of the Foreign Relations Committee and chairman of the Senate GOP policy committee, gave the treaty unenthusiastic support. After reviewing what he termed the hazards of the treaty, Hickenlooper declared: "On balance and in view of the whole spectrum of circumstances, it seems to me that we have no firm choices — that we must, even though with misgivings, consent to the treaty." Hickenlooper expressed regret that President Kennedy refused to grant his request during committee hearings to give the Senate access to all correspondence between Khrushchev prior to the treaty signing. The administration did offer to permit key members of the committee to examine the correspondence.

Man, 33, Convicted of Theft at Valley Fair

OSHKOSH — Probation of one year was imposed on Michael Mitchell, 33, Menomonee Falls, for taking a transistor radio valued at \$34.77 from the W. T. Grant store and a pellet gun valued at \$16.45, from the Badger Paint store, both in the Valley Fair Shopping Center, on Aug. 15. The probation was ordered by Judge James V. Sitter after a pre-sentence investigation. The blaze started in the basement but the cause was not determined immediately. There was one report of an explosion shortly before the blaze was discovered at 12:15 p.m.

Governor Signs Bill Increasing Truck Lengths

MADISON (AP)—A bill increasing maximum permissible truck lengths on Wisconsin highways to 55 feet was signed into law Thursday by Gov. John W. Reynolds. The maximum truck length now is 50 feet. Explaining his approval of the new limit, Reynolds said that the State Highway Commission and the Motor Vehicle Department kids agree that the additional five feet will not create a safety problem, as has been contended by opponents of the measure. The highway commission further informed him that the added truck length will not mean additional damage to highways, Reynolds said. Reynolds pointed out that the neighboring states of North and South Dakota, Nebraska, Iowa, Illinois, Indiana, Ohio and Michigan already permit 55 foot trucks on their highways. Reynolds said that the American Association of State Highway Officials recommends the uniform 55 foot length of tractor-trailer combinations.

Janesville Fire Loss of 200,000

JANESVILLE (AP) — A fire feeding on oil and paint destroyed a two-story building used as a furniture company warehouse Friday afternoon, causing damage estimated as high as \$200,000. There were no injuries. The flames burned out the interior and seared through the roof, dropping the flaming debris into the basement. The masonry walls remained standing, apparently held together by metal siding. Fire Capt. John Rabiola estimated the loss "at between \$150,000 and \$200,000." He said the

World Wheat Trade

The recent agreement by the Soviet Union to purchase more than six million tons of wheat from Canada is an example of the extent to which the various countries are woven together through trade regardless of political or ideological differences. The Soviet move actually should serve to strengthen free enterprise in agriculture in the United States. And part of the reason is the Cuban hunger for food, what- ever glowing picture the American student visitors painted.

Last month a Havana radio station told the Cubans that production of noodles and crackers would have to be cut back for a while. Obviously there was a shortage of wheat. Part of the Russian-Canadian agreement was that more than 400,000 tons of Canadian wheat would be delivered directly to Cuba but paid for with Russian money. The Soviet Union supplies Cuba with just about all the wheat it gets. And the amount has risen because of a drastic decrease in Cuban production of such staples as rice, black beans and the malanga, a turnip-like root.

For the last ten years, Premier Khrushchev has been emphasizing the need for Russians to improve their agricultural output. We have heard warnings from United States visitors to the Soviet that the pressure was having its effect. The warnings may still be right since adverse weather conditions were probably much to blame for the short crop in Russia. But Khrushchev's most recent speech was anything but hopeful about Russian agriculture.

Presumably there are people in the Kremlin who will seek to make some sort of

hay out of the wheat failure. But whatever their influence, it is apparent that Khrushchev aims at supplying wheat to the satellite countries where pressures may be greater. Both Poland and East Germany had poor farming years and have been seeking more food in almost all directions.

The Russians have sold gold on the world market in order to buy the wheat from Canada. This alone is good news for the United States as far as our own gold reserves are concerned. But the Russian need this year is especially important to the American wheat farmer—and to the trend of our own agricultural policies.

Last spring when American farmers defeated in a referendum the Administration proposal for more rigid grain production controls in exchange for a firm high price per bushel, there was speculation that the bottom might fall out of the wheat market this year. American farmers, unhampered by acre restrictions, were expected to plant a lot of wheat and flood the market. It was pointed out that there was a big increase in European agricultural production as Common Market countries especially sought self-sufficiency among themselves.

But the Russian purchase of Canadian wheat will obviously mean a bigger market for American wheat. And farmers will have less enthusiasm than ever for the rigid controls Secretary Freeman advocates.

This is no long range solution of course. The Russians are bound to continue improving agricultural methods and production. They will not always have freezing springs and cold summers. But this year at least they are contributing toward our free enterprise—and so are the hapless Cubans.

And Now Malaysia

There has been a great deal of speculation about what Indonesia would do if the United Nations team decided that the people of North Borneo and Sarawak really did want to be part of the new Federation of Malaysia. Indonesia—and unfortunately the Philippines as well—have shown their defiance of the U.N. by breaking off diplomatic relations. But Malaysians show no signs of appeasement.

When Malaysia was about to be proclaimed in August, Sukarno and Macapagal objected that it was a British inspired federation and that the people didn't really want it. So the prime minister of Malaya agreed to delay the birth of the federation until a United Nations team had investigated the elections. Secretary General U Thant said he would authorize such investigation only if all sides agreed to accept the findings. Everyone so pledged. The investigation went on with Indonesian and Filipino "observers" while the Indonesian government sent in teams of its own to try to foment rebellion.

But the plan failed. The U.N. team found no evidence that the people didn't want to be part of Malaysia. And when Indonesians tried some rioting, the Malays rioted right back.

It is quite likely now that Sukarno

may send troops to snipe at the borders of Malaysia. After all, the show of force worked as far as West New Guinea was concerned. But this time, the shoe is on the other foot or at least it should be. It is not a colonial power that is being defied; it is the United Nations and the Secretary General is a native of Burma. His personal teams made the decision.

It will be interesting to note whether the General Assembly members will be able to forget their anti-colonial antagonisms long enough to vote condemnation of Indonesia and the Philippines in this matter. But at any rate the British, who continue to have military bases in Malaysia, one of the major causes for Indonesia's wrath, certainly will continue to help the Malays against invasion as they did in their brave and successful struggle against Communist guerrillas.

The Philippine compliance with Sukarno's ambition is disgraceful. Again United States aid ought to be re-examined even to our friends, the Filipinos. There is no sense in paying for a war in the South Pacific that is definitely against the interests of freedom and justice and which will contribute to the gains of the Communists.

The yearnings for national power, prestige and expansion are not exclusively Anglo-Saxon characteristics.

The Military and Civilians

Last July Secretary of Defense Robert McNamara issued a directive which authorized military commanders to declare any community off-limits to their troops if it practiced "relentless discrimination against Negroes." So far the directive has not been used by any commander. Very likely its worth is more of a political boon to the Kennedy Administration than of much use in actively combating discrimination.

A military commander has a certain amount of responsibility for the troops under his command even when they are not on duty or on military property. Establishments which are considered of real moral or physical danger to military personnel are often put off-limits until they are cleaned up or better run. Housing areas which charge exorbitant prices or are obviously filthy occasionally are also barred to servicemen and their families by base commanders.

But such directives are aimed at improving specific places for the benefit of the servicemen. An order placing an entire community off-limits because some bars or drug stores or restaurants do not give equal service to Negroes is both unfair and likely to do no good. It is like the teacher who keeps the whole class after school because one naughty boy threw an eraser.

Congressman Carl Vinson of Georgia has offered a bill to nullify the directive that is even more foolish than the directive

itself. Vinson's bill, which he insists is not motivated by favoritism for segregation, would make it a court-martial offense for any serviceman to carry out the Defense Department directive. Obviously this is not putting the blame where it belongs either, and surely an order from the Defense Department would take precedence over lower military decisions.

But there is a point in Vinson's criticism of the military effort to govern local affairs. Relations between the military and civilians in areas near military bases have always been uneasy. Servicemen charge, and with some justification, that there is discrimination against them and their families as a group no matter what color they are. Local residents are apt to insist that they never wanted the extra problems of a nearby base in the first place. The relationship is further disturbed by civilian realization of the improvement of a community because of the profit brought to it by the military, while servicemen sometimes indicate they can get away with almost anything since they are in the service of their country. These attitudes need calming down and easing over. The Defense Department directive, if put into effect by a base commander, is not likely to make relations any better.

As tensions grow, in the south in particular, even the threat of loss of profit is not likely to encourage better treatment of all races. The directive was ill-advised.

Looking Backward

21st Regiment Loses Many Men

100 YEARS AGO
Quoted from the Appleton Post-Crescent for Oct. 8, 1913.

(The following is part of a letter written by the Rev. O. P. Clinton, Menasha, chaplain of the 21st Wisconsin Volunteers reporting losses in the Battle of Chickamauga.)

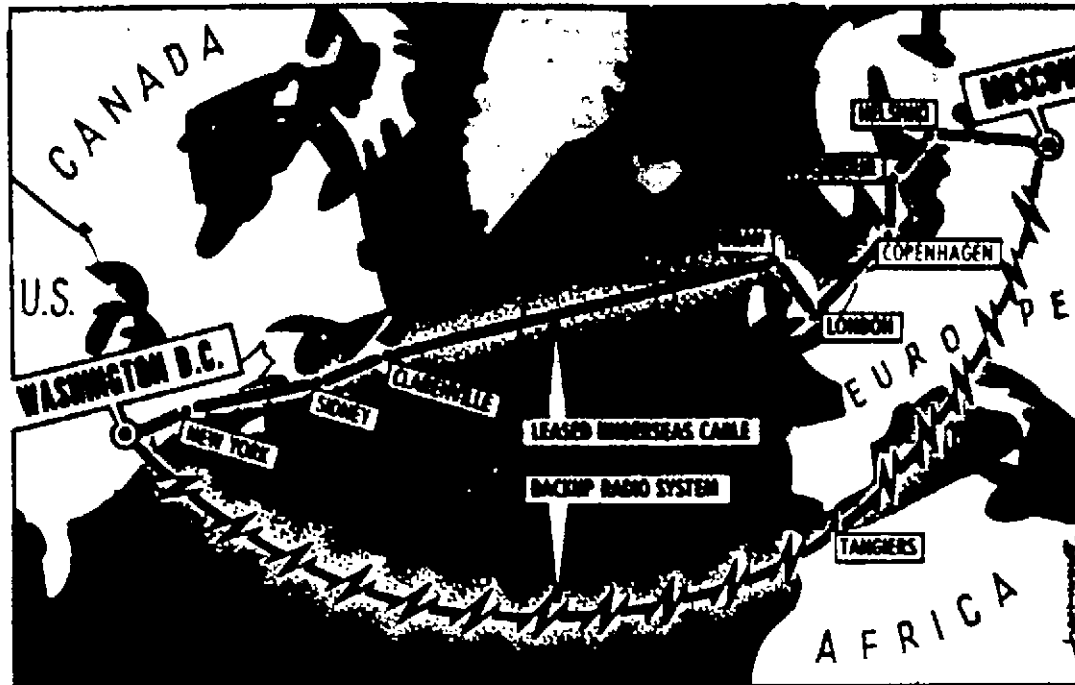

The Wisconsin 21st has suffered severely and our noble body of men now is reduced nearly to the number of a full company. I send below a list of

our casualties as perfectly as can be ascertained at the present. Among the missing we fear many are killed or wounded.

There are circumstances that give us painful apprehensions as to the safety of Col. Hobart and Adj. Jenkins. All the friends of this unfortunate class will be in sad suspense until the facts are known, and in many cases there worst fears will be realized. My heart is pained for the

many afflicted families whose dear members and friends have fallen in this dreadful battle. May God hasten the end of this wicked rebellion, and the dawn of peace.

We are not discouraged, although our suffering and losses have been so very great. We cheerfully submit to the chastisement and trust God and our arms to deliver us from the cruel hand of treason. Lt. Col. H. C. Hobart and Adj.

Hot Line Between Washington And Moscow Now in Operation

BY SID MOODY
AP Newsfeature Writer

The most important two-party line in the world is now ready for calls. The numbers are unlisted but the addresses aren't.

One is the Kremlin, just ask for Khrushchev. The other is the White House, President Kennedy speaking, go ahead Nikky.

This is the so-called hot line, a link between Washington and Moscow that hopefully will help keep the cold war cool.

The Pentagon announced Aug. 30 it has become operational.

It's not intended that the hot line will be used for diplomatic small talk between the two most important capitals in the world. Normal channels will still be filled with that plus the customary delays for translation, analysis and response.

IT'S FOR MISSILE AGE
In fact it's because of these traditional slowness in diplomacy that the hotline was installed. In an age when missiles can be launched in seconds and arrive on targets minutes later both east and west felt almost instantaneous means of communications were needed to prevent nuclear war by misunderstanding.

This lack showed particularly last fall during the Cuban blockade crisis when events threaten-

J. H. Jenkins, missing.
Dr. James T. Reeve remained at Hospital and taken prisoner.

25 YEARS AGO

Saturday, Sept. 17, 1938.

An estimated 800,000 men were reported to be under arms in Czechoslovakia and prepared to resist any German invasion and to enforce military rule in the Sudeten German regions of the nation. Along the border on the German side, Konrad Henlein proclaimed that his Sudeten followers were taking to arms and organizing a "Sudeten free corps."

In London, the British cabinet issued an urgent call to France's Premier Edouard Daladier and Foreign Minister Georges Bonnet to help determine the final decisions Prime Minister Chamberlain was to take back to a determined Hitler in Germany.

From Prague came the report that Ernst Kuntz, Sudeten deputy, appealed to the German minority to be patient and wait until Hitler and Chamberlain "have ended their fateful conversations."

In Washington, President Delano Roosevelt cancelled a speaking engagement in Poughkeepsie, N.Y., alluding only to the European crisis as the reason.

16 YEARS AGO

Saturday, Sept. 19, 1953.

Thomas McAndrews was elected prefect of the Holy Cross Grade School Sociality. Kaukauna. Other officers were Calvin Welch, vice prefect, Bonita Bayorgeon, secretary, and John Pomeroy, treasurer.

Mrs. Collette Anderson was installed as president of the Sherwood American Legion Auxiliary. Other officers installed were Mrs. Velda Funk, Mrs. Margaret Stumpf, vice presidents, Mrs. Helen Birk, secretary, Ann Zahring, treasurer, Mrs. Jean Schmidt, chaplain and historian, Mrs. Phyllis Westgor, sergeant-at-arms, and Mrs. Harriet Kees, color bearer.

Luther League members of Trinity English Lutheran Church, Appleton, who were to present two playlets for Youth Sunday included Robert Jooss, Vicki Spooner, James Wink, William Bye, Philip Freiberg, Jes and Bodil Amussen.

Capt. and Mrs. Ralph T. Hauert, both of Appleton, and their daughter, Elizabeth Ann, were to make their home in Orleans, France, where the army officer was stationed.

ed to outspeed attempts to head them off.

After long policy and technical negotiations Russia and the United States signed the hot line agreement June 20 in Geneva.

Under the agreement there actually will be two hot lines (see map).

One is a land-sea cable route. The other is a radio system.

The cable route travels telegraph lines from Washington to Sidney, Nova Scotia to Clarendville, Newfoundland; thence by undersea cable to Oban, Scotland and overland to Moscow via London, Copenhagen, Stockholm and Helsinki.

The land line system is being leased from International Telephone and Telegraph Co. for about \$80,000 a year.

The radio system goes from Washington to Tangier to Moscow. It is roundabout to provide a more reliable circuit. Earth magnetic storms affect radio circuits on east-west axis more than on a generally north-south axis. Radio Corporation of America is leasing the radio circuit for about \$42,000 a year.

People's Forum

It's Tax Burden That's Important, Not Figures

Editor, Post-Crescent:

In Mr. Eugene K. Miller's answer to my letter of Sept. 6, in the Forum, he wrongly concluded that supporting 1620 individuals in state employ is the same as paying each individual of the families \$5,000 a year. He also errs in concluding that each of the general population is employed at \$1800 a year. No such statements were made. The general population outside of state employ must be balanced against the general population within state employ.

The purpose of the original letter was to emphasize the increasing number becoming dependent on the state. The recent increase in tax deduction allowance for illness illustrates the trend toward placing the burden of one group upon another group at government instigation.

While not an investigator, and thus reduced to "guesstimates," other unverified statistics have been brought to my attention. One is that one in four is now supported by the Federal government; the other is that 41 per cent of tax collections is consumed by the government. The latter figure may be incomplete since the producer probably retains less than 35 per cent of his

Riverview Sanatorium Needs Ramp

Editor, Post-Crescent:

Yes, another summer has passed — a summer with its beauty and warmth known only to those who have been "out" to enjoy it. Those poor souls at the Riverview Sanatorium and Hospital are almost unaware of its loveliness — Why? Because those patients who are confined to cutches or wheel chairs have no way to get out of the building and really enjoy it. Yes, Riverview Sanatorium has no ramp!

Secondly, it is, indeed, a fire hazard to be confined without adequate exits. As a mere middle man between those patients and organizations, I'm hoping to reach the heart of "someone" who is able to get the ball rolling and liberate these convalescents before another autumn is here. Betty Hassmann

Wisconsin Report

Hard, Grinding Work Of Volunteer Is What Succeeds in Drives

BY GEORGE GREELEY
MADISON — "KENNEDY TO CAPTURE WISCONSIN"

That's the way the news headlines read about this time three years ago in the 1960 presidential campaign.

Virtually every leading political expert in the nation was predicting that John F. Kennedy, the Democratic candidate for president, would sweep Wisconsin into his hip pocket in the November elections.

The experts had every reason to believe it. In the April primary of 1960, the Kennedys had indeed "blitzed" Wisconsin. For that critical primary contest, you may remember, they

Local Republican leaders, guided by state headquarters, responded with a will, began to fit together a force of volunteers whose militant spirit surprised even us.

By the thousands they rallied to man the telephone batteries, troop from door to door, distribute literature, check registration lists, stuff envelopes, address cards, offer rides to the polls.

This is the heart of any campaign, but it is unspectacular, hard, grinding work that never catches the attention of the press.

But in the fall of 1960 we suddenly realized we were catching the attention of the Wisconsin voters.

The Kennedys had scheduled a final tour of the state in September, culminating in a massive rally in Milwaukee's huge arena. For months they had plugged the event.

Pinch-hitting today for Madison Correspondent John Wynyard is George Greeley, one of the handful of professional politicians in Wisconsin. He is best known as the long-time executive secretary of the Republican Party of Wisconsin.

had marched in squads of brothers-in-law, family retainers, Hollywood actors and sports stars to produce a spectacular that was undoubtedly entertaining, if not illuminating.

And all through the long, hot summer and into the fall, their platoons of public relations men, advertising executives, TV technicians, "crowd managers" and other Madison Avenue stuntmen confidently roved the state, working over voter blocs.

But something under the surface started going wrong. For the Kennedys had discounted one vital segment of Wisconsin citizenry: The Republican volunteer.

VOLUNTEERS ORGANIZED

Stung by the Democratic showing in the April primary, oversaturated by Kennedy campaign tactics, Republican-rooted men and women slowly began to rise and counterattack.

The key to that counterattack, as we at state GOP headquarters well knew, was organization. It is a fundamental fact of political life that a party must be unified, disciplined and aggressive to win any election. You must simply out-organize your opponent, regardless of how many good issues you possess.

Concentrating on organization, we began to make our way against the odds.

SCOUTING

We followed the tour, we analyzed the crowds, and we made two comforting observations: (1) too many in the Kennedy audience were teen-agers, too young to vote, (2) despite the mass advertising campaign for the main event in Milwaukee, only 83 per cent of the arena was filled.

From that moment on we at state headquarters felt that we had a fighting chance. The unstinting efforts of the Republican volunteer were beginning to pay off.

So it proved on election day when Wisconsin citizens went to the polls in unprecedented numbers to vote Republican.

Reported John Wynyard after that Democrat disaster: "To the utter amazement and confusion of the Democrats who made historic gains in state politics two years ago, the Republicans won a moral victory when they carried Wisconsin for the losing Nixon-Lodge ticket, elected four state officers, picked up a congressional seat, and recaptured the state legislature."

But that was three years ago. We are now on the eve of another presidential election. Once again we Republicans face the challenge of out-organizing the Democrats.

The GOP election machinery is dusted off, tuned up, ready to roar.

Most important: we have the issues, from the White House to the Governor's Mansion.

What we need right now — well in advance — is the services of the Republican volunteer. His response will determine victory or defeat.

Potomac Fever — by Fletcher Knebel

David Rockefeller urges a peace corps of business executives. Rocky's brother figures it's about time to send overseas all those fellows wearing Goldwater buttons.

Russia buys \$500 million of Canadian wheat in history's biggest grain deal. Khrushchev says the Yanks can win the pennant, but they can't get into the world cereal.

A Church of England minister defends his wife's right to wear slacks in public. If a Moslem can hide a woman's face, why can't a Christian hide her legs?

South Carolina's Senator Thurmond loses fervent oratory against the test-ban treaty — a kind of Thurmond-nuclear blast.

'Sukarno May be an Imperialist, but he's OUR Imperialist.'

Let's EXPLORE YOUR MIND

By Sylvanus M. Duvall, Ph.D. and Evelyn M. Duvall, Ph.D.

ARE HUSBANDS AND WIVES CLOSER NOWADAYS?

YES ☐ NO ☐

Are husbands and wives closer nowadays? Yes — No —

In many ways husbands and wives now are closer together and have more in common than once was the case. Now a man and his wife are more nearly the same age than were their own great-grandparents. At the turn of the century a man did not marry until he was in his 27th year — to a girl years his junior. Now, right out of school, a fellow marries a girl closer to his own age and educational

Red Cross National Head Expected at Valley Area Meeting

MENASHA — Gen. Alfred M. Gruenther, president of the American Red Cross, will be coming to the Fox Valley area the forepart of 1964, it was announced by Mrs. B. R. Pawlowski at the Menasha Red Cross Chapter's annual meeting Thursday night.

Last October the Northeastern Wisconsin Association of Red Cross Chapters, which had a two-day conference in Appleton, had invited General Gruenther to speak but an emergency operation prevented his coming. He has accepted a second invitation to come to the area and address the 19 chapters in NEWARC.

Mrs. Pawlowski, who was acting secretary of the steering committee which planned the October meeting, said that the date of General Gruenther's visit has been set tentatively for Jan. 30 and the meeting will probably be at Fond du Lac.

Latin Director Makes First Film in English

NEW YORK (AP) — Leopoldo Torre-Nilsson, Argentina's best-known screen writer-director, is to make his first English language film in collaboration with

Elizabeth Taylor and Richard Burton star in their first modern drama together in the MGM movie "The V.I.P.'s," opening Thursday at the Appleton Theater. The film is opening simultaneously in 700 theaters. Written for the screen by playwright Terence Rattigan, the story concerns the effects on the lives of an assorted group of people when a heavy fog delays their departure from the London Airport.

Success Keeps Producer From Longtime Dream

Leland Hayward Yearns to Launch Unknown Writers, Actors to Stardom

BY JINGO

If producer Leland Hayward launched as many ships as he has television shows and Broadway plays, there would be a shortage on champagne bottles, and fish would have to find another place to swim.

Yet, here's a man who can't fulfill a recurring dream because of binding obligations that come with such renowned theatrical success.

His latest feat as an executive producer is "Opening Night," a 60-minute comedy special for General Foods introducing the sponsor's fall line-up of stars on CBS-TV.

The show will air Monday at 8 p.m. Lucille Ball, Jack Benny, Andy Griffith, Garry Moore, Phil Silvers and Danny Thomas will star.

"Put them all together and what do you have? The greatest collection of proven talent on television," states the gray-haired Hayward.

"It's like taking the New York Giants professional football team and pitting them against a squad of Brownies — they can't lose! What's more, backing up the cast is Goodman Ace, one of the finest comedy writers on TV today."

Format of Show

"Goody came up with the idea which we're using for the show's premise: Since Phil Silvers is the only new entry on the General Foods' list, the other stars become actor and strike off on a crusade across the nation to satisfy an unquenchable dream that has been a part of him for years."

I'd like to find a story written by a stranger, and a cast that has never seen the fulgid glare of flood lights, and turn them into stars. But there is no time, and that is my frustration," said the producer of such hits as "Mr. Roberts," "Sound of Music" and "A Shot in the Dark."

Hayward's Beliefs

Hayward feels that adapting a Broadway play for television is more sacrilegious than burning a Picasso. "Cutting or changing a play that has already proved successful only ruins it. Every line has some significance—otherwise it wouldn't have been written."

He places the future salvation of the Broadway stage on the shoulders of pay television—which he predicts will inevitably become a lucrative part of the video industry.

"Pay-TV will replace road companies—which are hard pressed to turn substantial profits—and will bring in more money for big stage productions," declares Hayward, casting an eye on tomorrow.

3:30-6:15 (Channel 2) — This week's NCAA Football Game comes from Pueblo, Colo., with the U.S. Air Force Academy host to the University of Wisconsin.

4:43 (Channel 4-5) — New is NFL Highlights, a program that clips out the top plays from the previous Sunday's professional games for replay. Jim Learning does the commenting.

6:30-7:30 (Channel 11)—Hootenanny doubles its host for the new season, going to a full hour. On this first show, we have Vaughn Meader and Stan Rubin and his Tigertown Five, a Dixieland band. Musically, we have the Chad Mitchell Trio, Nancy Ames, The Roof-top Singers, Mike Settle and a final hootenanny with all hands involved.

6:30-7:30 (Channel 4-5) — The Lieutenant has a problem which only remotely concerns the Marine Corps. Gary Lockwood, in town on a pass, hears a woman screaming, runs to her aid and is promptly accused of molesting her.

7:30-8:30 (Channel 2)—The Defenders' last repeat works over its favorite theme—everybody is entitled to a good defense, no matter what his crime. So E. G. Marshall and Robert Reed set to work to defend Fritz Weaver, accused of betraying his country.

8:10-10 (Channel 4-5)—Saturday Night At the Movies begins its new season with "The Seven Year Itch," a delightful comedy which stars Marilyn Monroe and Tom Ewell. (Color)

9-10 (Channel 2) — You'll see some fancy broken field personality switches on Gunsmoke's repeat. The hero is Burt Reynolds, as Quint. At first, he's a half-breed who hates whites and becomes a specialist in killing white folks for the Comanches. When James Arness captures him, he switches back to hating Indians.

Paul Heller, sponsor of "David and Lisa."

The picture, tentatively entitled "The Beautiful Family," is to be based, like several previous Torre-Nilsson works, on a short story by his wife, Beatrice Guido.

The director's partnership with Heller resulted from the two having met at the Venice and San Francisco movie festivals.

'Tom Jones' Great, but Not For Everyone

Movie Based on Old Forerunner of Novel Lusty, Imaginative

BY BOB THOMAS

HOLLYWOOD (AP) — A crowd of celebrities turned out for the preview of the latest and possibly the greatest example of English film making, "Tom Jones."

The best picture in 10 years... The most most imaginative film since Citizen Kane... Magnificent... These were a few of the comments overheard in the crowd.

They were deserved. "Tom Jones" is the kind of movie that is seen all too rarely, and seldom from Hollywood any more — a tasteful, brilliant exercise using all the film medium's attributes to the fullest.

"Tom Jones," Henry Fielding's precursor of the modern novel, could have been made into a musty costume drama. But producer-director Tony Richardson and screenwriter John Osborne used unlimited imagination to bring it to lusty life.

The opening sequence, depicting Tom's illegitimate birth, is done in silent-movie technique, titles and all. Chases are speeded up, Mack Sennett style.

Some comedy scenes are done with the characters frozen in still photos. The camera focuses in on single faces for a plot point.

Actors deliver asides directly at the audience, or sometimes, merely a knowing wink. At one point Tom, to shield a scantily clad girl, put his hand over the camera.

A narrator, rich in wisdom, underscores the action with rare comments and sometimes insists on fading out on seduction scenes in order to avoid offense and the wrath of the censor.

"Tom Jones" is not for everyone. It may be too lusty for children; it is openly bawdy, not

dirty. Some American adults may be bewildered by the profusion of accents.

They select a sponge that matches the color scheme of your room. Simply place it on the dresser and stick pins into it. The adjoining picture shows the size of sponge to use.

If you wish, you can change it from an ordinary sponge into something more special by cover-

ing the top of it with a piece of green felt. Glue the felt in place with spots of household mending cement.

Girls who are handy with needle and thread can make a complete cover for the sponge that can be closed with a couple of buttons or dress snaps.

If a covering is used, either for the entire sponge or only the top, the material must be of a kind that can be pierced easily with a pin.

The big advantage of a pin-cushion is not only that it provides a single place in which to keep all pins, but it can easily be carried to any location where, as in sewing, a lot of pins will be used.

Pennsylvania Driver Strikes Two Deer Near Packwaukee

OSHKOSH (AP)—The fact that a buck will get you plenty of trouble in Wisconsin's deer country is a lesson learned annually by hundreds of motorists, but a Pennsylvania driver got the two-buck treatment this week.

Warden James Washburn reported today that the motorist collided with a 9-point and a 10-point specimen which burst across Highway 51 in front of him near Packwaukee.

Both deer were killed, and damage to the car amounted to \$400. The passengers escaped injury.

If you wish, you can change it from an ordinary sponge into something more special by cover-

ing the top of it with a piece of green felt. Glue the felt in place with spots of household mending cement.

Girls who are handy with needle and thread can make a complete cover for the sponge that can be closed with a couple of buttons or dress snaps.

If a covering is used, either for the entire sponge or only the top, the material must be of a kind that can be pierced easily with a pin.

The big advantage of a pin-cushion is not only that it provides a single place in which to keep all pins, but it can easily be carried to any location where, as in sewing, a lot of pins will be used.

Pennsylvania Driver Strikes Two Deer Near Packwaukee

OSHKOSH (AP)—The fact that a buck will get you plenty of trouble in Wisconsin's deer country is a lesson learned annually by hundreds of motorists, but a Pennsylvania driver got the two-buck treatment this week.

Warden James Washburn reported today that the motorist collided with a 9-point and a 10-point specimen which burst across Highway 51 in front of him near Packwaukee.

Both deer were killed, and damage to the car amounted to \$400

Papermakers Post 23-12 M-E Win Over Shawano '11'

Kimberly Scores 2 Times in First Period for Quick Lead

MID-EASTERN CONFERENCE

W	L
Kimberly	1
Shawano	1
Neenah	1
Wausau	1

Friday Night's Results:

Neenah 34, Two Rivers 7, Kimberly 23, Shawano 12.

This Afternoon's Game:

New London at Kaukauna.

BY ED VAN BERKEL
Post-Crescent Staff Writer

KIMBERLY—Scoring the first two times they had their hands on the ball the Kimberly Papermakers rolled to a 23-12 win over Shawano here Friday night.

The early scores by the winners loomed larger as the game progressed as they failed to move consistently in the second half, being limited to a field goal.

The game opened with Shawano kicking off and Gerry Wyngaard returned the ball from the 19 to the 31-yard line. Using only seven plays and a 5-yard penalty on the Indians, Kimberly moved for its first touchdown. Clem Phillips

sen and Art Wittman alternated on five running plays and Dennis Kroner hit Keith Buchberger for nine yards and Wyngaard for 25 for the first score.

Plunge For Point
Wittman plunged successfully for the extra point. After the Papermakers kicked to Shawano and Jim Judd returned to the mid-field stripe for what appeared a good start, a 15-yard penalty moved the Indians back into their own territory.

On the first play from scrimmage Judd fumbled and Wyngaard picked the ball out of the air and moved to the 32 yard line. After a few harmless jabs into the line, one losing ground, Kroner hit Lee Levknecht with a 32-yard scoring pass. Jim Vandenberg booted the extra point to give the Papermakers a 14-0 lead early in the first period.

Third Score
In attempting to punt from their own 28-yard line, the ball squirmed from the grasp of Bob Grignon and before he could recover, Kimberly hit him and took over command on the Shawano 12-yard stripe shortly after the start of the second period.

The Papermakers moved for their third touchdown with a minimum of effort, Wittman going over from the 2-yard stripe. The try for point was blocked, but Kimberly held a big 20-0 lead.

Following a Shawano punt, Kimberly took over on the mid-field stripe and immediately appeared to move into scoring position on a 39 yard run by Terry Subert who twisted and reeled along the sideline stripe. His efforts were in vain when officials detected a Kimberly player clipping.

Shawano Scores
Kimberly moved to the 15-yard stripe following the clipping penalty, but here the drive stalled and the Indians took over. With time running out in the first half, Grignon connected on passes of 4, 14, 3, 17, 8 and finally 45 yards for the scoring play. Judd was his target on four of the passes including the final for the TD.

Kimberly appeared to have the drive halted, but a roughing the punter penalty gave Shawano new life, an automatic first down and eventually this led to the score. The try for point was blocked. The Indians managed only five yards rushing the first half, but

Kimberly capitalized on a second-period fumble recovery in mid-air by Dick Goetjen who returned the ball another 20 yards to Neenah's 23. After working to the Rockets' seven, Reed Smogoleski kicked to Charlie Barman for the TD. Dave Altman passed to Barman for the point-after, reducing Neenah's lead to 12-7 at halftime.

In the third segment, the Rockets' Gary Bauman intercepted a Two Rivers' aerial and returned it to the end zone. Neenah moved to the 13, from where a deflected Diederich pass was snared by O'Brien in the end zone for another Rocket TD and an 18-7 lead.

Neenah iced the contest with two more tallies in the closing period.

Bliss scampered 53 yards on a draw play for the first score and Larry Blohm cracked over from the one for the finale.

Hortonville Nips Seymour Harriers In Opening Match

HORTONVILLE — Depth paid off for Hortonville Friday afternoon as they scored a 27-29 victory over Seymour in the opening cross country match for both teams. The Seymour "B" team won 25-30.

Seymour's Rosin brothers, Roger and Eugene, took first and third. Roger toured the 2.2 mile course with a winning time of 12:31, just one second faster than Hortonville's Al Meyer. Eugene Rosin was 30 seconds further behind.

Other pointmakers were 4. Elmhurst (H), 5. Darroche (S), 6. Hols (H), 7. Bernicke (H), 8. Garriott (H), 9. Butters (S) and 11. Kling (H).

Hortonville's next meet will be at Denmark on Tuesday.

Bleier Has 3 TDs in First Half

BY RALPH MUELLER
Post-Crescent Staff Writer

Like the Field Artillery, the Xavier Hawks just keep rolling along.

Led by their incomparable half-back, Bob "Rocky" Bleier, the Hawks drove to their 25th straight victory by rolling up a 34-0 count over Little Chute St. John at Goodland Field Friday night.

Bleier, 1962 Associated Press All-Stater and nationally ranked prepster, scored on a 61-yard run from scrimmage, ran nine yards to paydirt after picking off a fumble, recovered another fumble, knocked down several passes on defense, took a 32-yard scoring pass from Paul Rechner, punted for 38 yards, ran for two extra-points and placekicked for another, and rushed for 125 yards in 10 carries for a 12.5 average.

All in first half
The amazing thing about the above list of feats is that Bleier did it all in the first half. He saw only limited action on defense in the second half and let loose one more punt for 39 yards.

The "Big X" made its presence felt quickly as Bleier rambled around right end for 61 yards on the first play from scrimmage after sophomore Colin Smith had returned the kickoff from the 31 to the Xavier 39.

St. John let its weapon be known the first time it got the ball as southpaw Mike Weyenberg hit Dave Van Vreede for 29 yards to invade Xavier territory.

The junior quarterback connected on a 7-yarder to Bruce Hammen as the Dutchmen moved to the 24. Hammen sliced through to the 20, but on fourth down a Weyenberg pass trickled off the hands of potential interceptor Bleier. This was the closest Little Chute got until the final period when the Dutchmen drove to the Xavier 30.

80-Yard Drive
Xavier promptly began an 80-yard drive with ground forces led by Bleier, fullback Paul Springs.

St. John's Dennis Driessen (25) and Xavier's Jim Rather (12) can also be seen. Xavier won its 25th straight game, 34-0. (Post-Crescent Photo)

Source Says Braves Will Move to Atlanta for 1964

Fabulous TV, Radio Contract Very Attractive

CINCINNATI (AP) — The Milwaukee Braves will be playing baseball in Atlanta in 1964, The Associated Press learned today—unless civic and government officials in Milwaukee can guarantee a new television and radio contract in excess of \$1 million.

A high Braves' source told The AP: "While no definite commitment has been made to the Atlanta delegation, only a complete change of heart, which is very unlikely at the moment, will keep the Braves from moving to Atlanta for next season."

At the same time, two men high in baseball's hierarchy, revealed the Braves had made an informal request to move the franchise to Atlanta at a meeting in Chicago, Sept. 10—and were promised by eight of the 10 clubs that they will vote for a move if a formal request is made.

A franchise shift requires the affirmative vote of eight of the 10 clubs.

Best Interest
Bill DeWitt, president and owner of the Reds, said he would vote for a franchise shift if the Braves' officials felt it was in their best interest to move.

"Anybody who has sufficient intelligence to acquire a major league club," DeWitt said, "surely has good enough judgment to be able to preserve their investment. I'm not familiar with the situation in Milwaukee, but I would have to accept the judgment of the group that owns the club. If they feel it is to their best interests to move the club, then my vote would have to be yes."

One source said he had been told by Braves' officials, who have watched attendance dwindle from 2,215,404 in 1957 to 766,027 last year, that industry is moving out of Milwaukee, department store sales are down, the city is not progressing, and "they must get out."

"I was not surprised at the request to move," said another source, but added, "what stunned me was that they asked to move in 1964."

If the Braves were to move for the 1964 season, the only stadium available in Atlanta would be Ponce de Leon Park, which has a seating capacity of only 12,000.

St. Mary's Holds Off Rally to Trip Squires

Pennings Held To 31 Yard on Ground in 12-7 Tilt

BY GEORGE MANCOSKY
Post-Crescent Staff Writer

MENASHA — St. Mary controlled the ball for more than three quarters but had to hold off a late Pennings aerial onslaught to edge the Squires 12-7 in the Fox Valley Catholic Conference opener for both clubs here Friday night.

The Zephyrs limited the Norbertines to one first down in the first half and their second in the third quarter but after falling two touchdowns behind, the latter began to move on the accurate arm of Tom Collins and made the last few minutes uncomfortable for the Menasha fans.

The St. Mary defense completely bottled up Pennings' running game, holding it to 31 yards. The visitors uncorked 22 passes, completing eight for 111 yards. St. Mary completed only one of its five overhead attempts but it resulted in the initial touchdown.

The Menashans fluffed their first two scoring chances, losing the ball on fumbles after getting to the 15 and 9-yard stripes.

Simon Scores
They didn't fail on their third try as they went 33 yards in six plays for a score shortly before the end of the first half. The touchdown play was a 15-yard pass from Tom Mortell to Tom Simon. The kick attempt was blocked. Pennings tried three passes before time ran out, completing the second for its only first down of the initial half.

Tom Lingnolski recovered a Pennings fumble on the 49 early in the third quarter and St. Mary again began to control the ball. Getting short yardage, but enough to rack up four first downs, the hosts marched to their second score, with quarterback Bill Martin sneaking over from the one. The kick again failed. En route, most of the yardage was gained by Chuck Hoernke and Terry Derfus.

Pennings was held after the next kickoff and St. Mary picked up two first downs before booting to their guests' 12. Hoernke intercepted a pass on the 25 but three plays later Steve Mad-

Neenah Scores Easy 30-7 Win Over Raiders

Rockets Pull Away With Second Half Touchdown Spree

BY THE ASSOCIATED PRESS

Conference favorites battered foes with powerful offensive attacks Friday night as they continued drives to remain ahead of their prep football rivals.

Perennial Milwaukee Suburban Conference champion Whitefish Bay ripped West Allis Hale 21-0; Appleton Xavier, holder of a 25-game victory string, blanked Little Chute St. John 34-0 in a Fox Valley Catholic Conference contest, and Wausau, 1962 co-champion in the Big Rivers Conference, stunned La Crosse Logan 39-0.

In the night's biggest upset, Manitowish edged Green Bay West 7-3 on a touchdown in the last minutes.

Oshkosh, runnerup in the Fox River Valley Conference last season, beat Sheboygan North 14-7 but that league's biggest game this weekend will be played this afternoon when loop favorite Appleton travels to Sheboygan South.

Myles Strasser again paced the Oshkosh attack scoring both touchdowns on runs of eight and four yards.

Whitefish Bay's Rick Dean passed for two touchdowns as the Blue Dukes rolled up 223 yards rushing in posting their 16th successive triumph since the 1961 campaign.

Manitowish's decisive touchdown came on a 25-yard jaunt around right end by halfback Pete Kramer after Green Bay had taken an early 3-0 lead on Dave Farr's 41-yard field goal. West was stopped on Mantie's 17-yard line with only minutes remaining in the Fox River Valley contest.

A standout individual performance by Green Bay's Dave Farr, who scored on a 41-yard field goal, was overshadowed by a 25-yard jaunt around right end by halfback Pete Kramer after Green Bay had taken an early 3-0 lead on Dave Farr's 41-yard field goal. West was stopped on Mantie's 17-yard line with only minutes remaining in the Fox River Valley contest.

Dodgers Narrow Magic Number to 3 With 2-0 Win

Yankees Divide Twin Bill With Athletics; White Sox Win, 2-0

BY MIKE RATHER
Associated Press Sports Editor

The Los Angeles Dodgers have stolen several steps closer to a National League pennant, and things are going so smoothly that even a right-handed pitcher can win.

Aided by a supporting cast that stole five bases, Don Drysdale reduced the Dodgers' magic number to three Friday night with a seven-inning, 2-0 victory over Pittsburgh that made him the first Los Angeles right-hander to break into the victory column in 14 games.

The Dodgers' 15th victory in 20 games, coupled with a 1-0 loss by second-place St. Louis at Cincinnati, increased Los Angeles' lead to five games. Any combination of Dodger victories and Cardinal losses totaling three will clinch the pennant.

Drysdale, who hadn't won since Aug. 30, brought his record to 18-17 as he struck out three, walked none and did not permit a runner past second base.

Left-handers had received credit for the Dodgers' last 13 victories.

Davis Takes Bat Lead
Tommy Davis took over first place in the struggle for the National League batting title with a .324 mark.

Davis stroked three singles in four trips, overhauling Dick Groat, who went 1-for-4 in St. Louis' loss and slipped to .322. Rob-

erto Clemente of the Pirates and San Francisco's Orlando Cepeda are tied for third at .330.

Davis scored the Dodgers' first run, sliding home in the second inning on the front end of a triple steal. Maury Wills stole third in the fifth and raced home on a wild throw by catcher Smokey Burgess.

At Cincinnati, the Cardinals were held to three singles by John Taitouris and lost their fourth straight. Ken Walters, a 300-hitter drove in the only run off Ray Sadecki with a single in the fourth inning following a two-out double by Don Pavletich and an infield hit by Tommy Harper.

Juan Marichal won his 24th with the support of a four-homer barrage as San Francisco handed the New York Mets their eighth loss in a row, 6-3; Dick Ellsworth's three-hit pitching and an eighth-inning homer by Andre Rodgers

Clintonville Records 19-7 Win Over Jays

CLINTONVILLE—Two second period touchdowns drives helped spark the Clintonville Truckers to a 19-7 Mid-Eastern Conference win over Menasha Friday night in the opening league test for each.

A touchdown pass of 11 yards and a 10 yard bootleg play by Bill Meiser spelled defeat for the Jays. Menasha had tied the score with a 54-yard drive in the second period, but their comeback did not last.

The two foes played evenly in the second half until the Truckers capitalized on a short Menasha punt and counted their third touchdown of the night.

The Jays first drive in the

St. Mary's Hangs on to Nip Squires

Continued from page 1

son swiped a Zephyr aerial in the end zone.

Zephyrus held Collins then began to unleash his aerial assault, completing four, and along with a penalty, moved the ball to the Zephyr 29. St. Mary held and took over with exactly four minutes left.

Four plays later St. Mary punted and Pennings took over on the 46 of the Zephyrs. Collins passed to Jerry Weiland for 21 yards, Brad Nuss gained 10 to the five and on the next play Collins hit Weiland for the score. The kick made it 12-7.

St. Mary received a 15-yard penalty on the kickoff, moving the ball back to its 20. It lost two yards on three plays and Pennings called time after each one to conserve time. Finally the hosts punted and the Squires gained command on the Zephyr 46.

Collins completed a pass to John Wheeler who broke away twice before being stopped on the 25 as time ran out.

The statistics:

Scoring by quarters:

St. Mary	Jays
0	0
0	0
0	7
12	0

Touchdowns: St. Mary, Simon, Martin, Pennings, Weiland, Conversions: Pennings, Rottler.

By Rushing	11
By Passing	0
Total net yards	176
Yards rushing	161
Yards passing	15
Passes completed	5
Passes attempted	11
Fumbles lost	1
Yards penalized	55

Most of the third period was played at midfield, but the Truckers started their final drive on another short Menasha punt near the end of the quarter. Clintonville got control on the Jays' 37 yard line and then Steve Hedtke and Meiser alternated. Hedtke's 22 yard movement sparked the drive and he carried the ball over from the one. The extra point kick was wide.

Hedtke was the leading ground gainer for the winners with 102 yards. Neal Stachowicz, the Jays' fullback, sparked the Menasha offense.

First Downs: 11 M, 10 J. Totals: 216 C, 146 J. Rushing: 193 C, 132 J. Passing: 23 C, 14 J. Passes Attempted: 8 C, 3 J. Passes Completed: 3 C, 2 J. Passes Inter. By: 1 C, 1 J.

Packer-Lion Game Is Big Question Mark

Redskins Meet Los Angeles Rams In Game Tonight

BY JACK HAND Associated Press Sports Writer

Is Detroit really a better football club than Green Bay? Or was last Thanksgiving Day's shocker just a "once in a lifetime" upset?

Pro football fans who have been waiting for the answer since last November should get an inkling Sunday when the two clubs clash for the first time this season at Milwaukee's County Stadium.

The Detroit-Green Bay game tops the list of pro action this weekend with seven games scheduled in the National Football League and three in the American Football League. All games will be played Sunday except the Washington at Los Angeles tilt in the NFL Saturday night at the Los Angeles Coliseum.

The New York Giants continue their early season road schedule at Pittsburgh and the Chicago Bears, fresh from an upset of the Packers, move into Minnesota to play the surprisingly strong Vikings.

AFL ACTION

Baltimore and San Francisco, both opening day losers, meet at San Francisco. St. Louis invades Philadelphia and Jimmy Brown and Co. of Cleveland travel to Dallas.

In the AFL, Kansas City resumes after a one-week layoff, moving into Buffalo to help the injured Bills open their home season. Surprising Oakland, winner of two straight, is at home to the Boston Patriots and the New York Jets make their home bow at the Polo Grounds against the Houston Oilers. San Diego and Denver are idle.

The fierce Detroit defense that climbed all over Bart Starr last November again is the big problem for Vince Lombardi's Packers. The Lions intercepted four of two straight, at home to the Los Angeles passes last week and the Packers' Starr saw four of his intercepted by the Bears. If Green Bay has trouble on the ground—the Packers ran for only 77 yards against the Bears — Starr must show great improvement or the chomps may suffer a second straight defeat.

Vikings are Rough

A victory for the Lions would throw the Western Conference into a wild scramble and would point up a Bears-Lions meeting Sept. 29 at Detroit as a most important game.

The Bears may have their work cut for them against the Vikings who were real tough in the exhibition season and squeezed past San Francisco in their opener.

The Giants may be facing their toughest challenger in the Steelers at Pitt Stadium, especially if injured V.A. Tittle isn't un to snuff Expect for linebacker John Reger. Pittsburgh is ready.

It figures to be a pitching duel in Philadelphia with Charley Johnson throwing for the St. Louis Cardinals and Sonny Jurgensen for the Eagles. The Cards are crippled with both John David Crow and Prentice Gault out of action. The Eagles will be minus guard Pete Case and safety man Don Burroughs, the latter suspended for jostling an official.

Jimmy Brown wants to make up for last December's sorry showing against Dallas, 29 yards in eight carries, when the Browns play the Cowboys in the Cotton Bowl. Cleveland was hot last week against Washington and Brown was the big man.

Rams Meet Redskins

Baltimore, beaten by the Giants in the opener, makes the long trip to San Francisco where Johnny Unitas will be passing against the 4ers vulnerable defense.

The only Saturday night game finds the Rams going with Zeke Bratkowski, veteran quarterback, against the Redskins. Both clubs lost their openers.

In the AFL, the Buffalo club opens at home with Dick Hudson and Wray Carlton out of action and Cookie Gilchrist an uncertain factor because of an ankle injury. Kansas City showed plenty in its opener against Denver.

The Jets signed Galen Hall, former Washington Redskin, to back up Dick Wood in the quarterback spot for the tilt with Houston. The Oilers have Charley Tolar, Dave Smith and George Blanda ready to go although Billy Cannon has a sprained ankle.

Boston's big question is the physical condition of quarterback Babe Parilli, who has a pinched nerve. If the Babe can throw freely he should test the Oakland club which has shown surprising offensive strength with Tom Flores and Cotton Davidson passing. Art Powell catching and Clem Daniels running. Daniels may be out with a leg injury.

Wigton Wins Winagame Title

Dave Wigton has won the club championship at the Winagame golf course.

Wigton shot a 136 (84-73) for the 36-hole medal play tournament.

Bob Handt won the first flight title, with a 173, and H. C. Althaus took second flight honors with 186.

They'll Do It Every Time

Manty Upsets West, 7-3, In FRVC Tilt

Continued from page 6

ance by All-State halfback Rocky Bleier sparked the Appleton Xavier attack. The 5-foot-11, 180-pound senior scored three touchdowns and converted three extra points while playing only during the first half. Bleier gained 125 yards in 10 carries.

Wausau's Al Kuehl proved the offensive giant in his team's conquest of La Crosse Logan. Kuehl battered his way for 151 yards in 14 carries, scoring two touchdowns on runs of 12 and four yards.

Oostburg handed Plymouth, unbeaten last year, its second defeat 20-7 as halfback speedster Dave Hilbelink scored three touchdowns, bringing his season total to nine. Hilbelink, 5-foot-8 and 160 pounds, notched the six-pointers on runs of one, three, and 12 yards.

Two Pass Plays

Kohler used two pass plays with tackles as eligible receivers to knock Valdres from the unbeaten ranks 14-7. Quarterback Paul Maki completed two passes to tackles for 71 yards. Maki plunged into the end zone from the one yard line to cap the successful drive.

Defending Big Rivers Conference champion La Crosse Central shut out Eau Claire North 20-0 to even its loop mark at 1-1.

Auburndale, unbeaten last season, managed a 12-12 tie against Stevens Point when Mickey Vandebey scored two touchdowns on short runs in the fourth quarter. The tie gives Auburndale a 2-0-1 mark.

Kenosha scored a touchdown in every quarter to beat Madison Central 28-0 in a Big Eight Conference opener.

Green Bay Prentmore, sparked by halfback Dan Ferry's three touchdowns runs, defeated Fond du Lac St. Mary Springs 25-6. Ferry chalked up 102 yards in 18 carries and also passed for another touchdown.

Beloit, tied with Madison East and West last season for the Big Eight title, whipped Racine Park 14-0. Halfbacks Denny Wilson and John Grady led the Beloit running attack. Madison East beat Janesville 25-12 and Madison West defeated Racine Horlick 7-0.

Several Golf Rules Changed

Player May Wait 'Few Seconds' For Ball on Lip

NEW YORK (AP)—How many seconds are a few seconds? The question may arise under a new code of golf rules adopted for use next year and announced Tuesday by the United States Golf Association.

Some of the changes should save some strokes, and one is designed to save time. It's a rule about how long a golfer may wait for a putt to drop that is hanging on the lip.

The current rule allows a "momentary delay" in hopes the ball will drop. The new rules allow a "few seconds."

The Royal and Ancient Golf Club, which runs the game in Britain and many other parts of the world, rejected a couple of the rule changes.

Thus, there will be differences in the rules between Britain and the United States next year for the first time. Previously the two nations had differed only on the size of the ball, which is larger here.

Committee met last May in an effort to get complete agreement. They

Harold Council Slams 629 in Industrial Loop

Harold Council blasted a 629 series to lead the Industrial League at Hahn's Lanes.

The Wire Works No. 2 team is in first place with an 8-1 record and other honor scores included Don Frank, 590; Larry Techlin, 587; Wayne Lemberger, 582; John Cannon, 576; Frank Sanders, 559; Chuck Brown, 559; Bob Bessette, 553; J. Trass, 552 and Dick Boya, 550.

Leone Uetzmann smacked a 209 game and 549 series to pace the Women's Classic League at the 41 Bowl Wednesday night.

The 41 Bowl team (5-1) is in first place. The only other honor score was a 203 game and 505 series by Marilyn Stern.

Source Says Milwaukee Will Move

and parking for only 700 cars. However, it can be enlarged to 25,000.

The Braves apparently would be willing to wait for construction of a planned 45,000-seat park—expected to be ready by the 1966 season—because they have been sold on the idea that Atlanta is the fastest growing metropolis in the country.

The big lure is a radio and television network deal, ranging over 32 states, that would provide the Braves with a revenue of \$1.5 million annually for the first five years.

"I don't see how the Braves can turn down that offer," said the Milwaukee baseball source. "And I don't see how Milwaukee can match that."

The radio-television revenue would be the second largest in major league baseball — topped only by the New York Yankees' income.

Officials of the Braves have maintained they have not made any commitments to Atlanta.

"We have made no commitment to any city—and that includes Milwaukee—for the 1966 season," said club President John McAlle. And Chairman of the Board William C. Bartholomay insisted "the club's owners will sit down to discuss the future when the season is over."

Oshkosh Edges North In League Tilt, 14-7

OSHKOSH — Oshkosh powered its way for two second period touchdowns and then hung on before a second half Sheboygan North aerial show to score a 14-7 win in the Fox Valley Conference football opener for both teams here Friday night.

The Indians dominated the first half with their crushing ground game but were set back on their heels by the passing of North quarterback Dennis Ruppel the last two quarters.

The victory may have proved costly for Oshkosh as fullback Myles Strasser suffered a badly broken nose scoring his second touchdown late in the second quarter. It is not known how long he will be out of action.

211 on Ground

Oshkosh ground out 211 yards on the ground, 160 of them in the first half. They threw only one pass and that went incomplete. North's Raiders threw 22 times and completed 13 for 181 yards, including a 53-yard scoring play from Ruppel to Dick Reiss.

North had two scoring opportunities slip through its hands when time ran out in the first half and they had the ball on the Oshkosh 3-yard line, and in the third quarter when a pass was dropped on the Oshkosh 10.

The Indians scored on the first play of the second quarter with Strasser powering over from the 8-yard line. The touchdown capped an 80-yard drive which consumed change of punts Kimberly moved from their own 36 to the Shawano 7-yard stripe when the drive was a left end sweep after taking a halted. Vanden Heuvel then stepped back and booted a field goal from the 16-yard line to give situation on the Sheboygan 27-yard line.

Time Ran Out

The second score came midway through the period after a Sheboygan punt. Starting on the 15-yard line, the Indians moved 85 yards in 8 plays with Strasser scoring from four yards out. Halfback Mike Zuehlke provided the spark in the drive with a 40-yard

er, halfback Gary Gunderson, and quarterback Jim Rathen, lugging the ball. Rather finally went over from the one. Bleier ran over his second extra-point.

The Hawks added a second TD in the second period after the attack was stalled on their own 47. Bleier punted (38 yards) to the St. John 9 and promptly picked off a loose fumble and without breaking stride galloped into the end zone. Gunderson's run for the point was stopped.

It was Bleier again, setting up the final marker of the first half. He flopped on Gary Romenesko's fumble on the St. John 40 and eight plays later Xavier had scored. The scoring play went from Rechner to Bleier and covered 32 yards. This time Bleier placekicked the point and a minute later Xavier had a halftime lead of 27-0.

The two teams played to a stand-off in the third stanza. Midway through the period, St. John gambled and won on a fourth-and-one situation on their own 18-yard line. Hammen just made the necessary yardage.

Four downs later, the Chuters punted and Xavier took over on their own 49. The infantry took the ball to the 10 from where Rathen hit Gunderson on a payoff pass. Jim Pegel booted the first extra-point of his high school career for the Hawks final point.

Coach Gene "Torchy" Clark's team player minus the services of fullback Paul Putzer. Putzer aided with statistics on the sidelines and did not dress for the affair.

The defending FVCC champions also lost guard Dave Heimmerman on the opening kickoff. Mike Moder replaced him offensively and Jim Zwicker moved in defensively.

Ken Zagzbeski and Floyd Slayton led the Hawk defensive platoon which gave up just four first downs by rushing.

gave the Chicago Cubs a 1-0 victory over Milwaukee and Houston beat Philadelphia 3-2 on a three-run homer by Carl Warwick.

New York's American League champion Yankees divided their doubleheader with Kansas City, winning the opener 5-4 on a bases-loaded walk in the 13th inning before losing the second game 4-3.

Eddie Fisher and Hoyt Wilhelm collaborated on a two-hit pitching performance that led the Chicago White Sox to their seventh victory in a row, 2-0 over Detroit, and rookie Sam Bowens' two-run triple in the seventh inning gave Baltimore a 7-6 decision over Washington. Minnesota at Boston and Los Angeles at Cleveland were rained out.

Willie McCovey led San Francisco's attack with his 39th and 40th homers while Cepeda hit his 33rd and Ed Bailey his 19th. Marichal limited the Mets to eight hits, including a two-run homer by Ron Hunt.

The Yanks, blanked on one hit by Tom Sturdivant in a brilliant six-inning relief stint, cashed in on John Wyatt in the 13th. Phil Linz led off with a single, Joe Pepitone singled with two out, and John Blanchard and Hector Lopez walked, forcing in the winning run.

The A's roughed up 20-game winner Jim Bouton in the second game, with Charley Lau's homer in the sixth the deciding blow. Orlando Pena held the Yankees to seven hits.

CBS to Stage New \$150,000 TV Tournament

NEW YORK (AP)—The golfing rich are going to get richer, while the television cameras gird away.

A new TV tournament, with at least \$150,000 in prize money for 32 of the leading golf pros has been announced by CBS.

The winning team in the tournament, to be filmed for television and shown on a delayed basis, will receive at least \$50,000. It might be increased, CBS said. The rest of the money will be spread down the list.

The tournament will have 16 two-man teams, almost all the top players except Arnold Palmer and Gary Player, who have a television series of their own.

The teams will play match play, team best ball, over 18 holes, except for the final at 36 holes. The matches will be telecast on Saturdays starting Dec. 28 from 4 to 5 p.m., EST, with the final shown April 4 and 5.

mark, who defeated Shiocton on Thursday, as the only unbeaten team after three weeks of action.

Two long touchdown runs on reverses helped Freedom stop last year's champions, Wrightstown, by a convincing 26-0 score. Omro scored all of its points in the first half and then clung on bitterly to take a 21-13 decision over Reedsville. The two winners vaulted into a third place tie with 2-1 records.

The first half of the Winneshiek-Hilbert game was dominated by the Wolves. Hilbert opened the scoring when Gary Schmitz counted on an 18 yard slant. Then the Wolves struck back, first on an 18 yard pass from Mike Schroll to Bill Seely and later on an effective 21 yard screen pass from Schroll to Ken Wiesner. This gave Winneshiek a 12-6 halftime margin.

Runs 55 Yards
Hilbert opened the second half with a rush. The first time they got the ball Gary Borneman ran 35 yards to the Winneshiek 15 yard line. Fullback Lyle Roerig pounded to the six and Borneman took it over. Roerig plunged for the extra point and Coach John Stock's team had a 13-12 margin.

The final Hilbert touchdown, also in the third period, came on a nifty 52 yard scamper by Roerig. Roerig ended with 128 yards for the afternoon, raising his individual total to 265 yards in 2 games.

After a defensive first period, Freedom stopped a Wrightstown drive on the Irish 20 yard line. This started an 80-yard Freedom drive which culminated in a 6-inch push by Dave Rickert. Freedom took six plays to go the last 12 yards. Rickert kicked the extra point which gave Freedom a 7-0 halftime advantage.

The two reverses by Duane Conrad in the third period turned the game to the Irish. The first covered 55 yards and the second, after a pass interception, went 30 yards. Rickert kicked the first extra point.

Reserves from both teams played much of the final period. Dave Hooyman, a junior Freedom fullback, accounted for the last touchdown on a one yard stab.

Sophomore Standout
Outstanding for the Tigers on defense was Neil Zastrow, a sophomore. Dick Vandewettering, the 225 pound senior lineman, did much of the key blocking for the Freedom offense.

Omro scored on the first play of the game on a surprise pass from Paul Miller to Bob Buckwitz, covering 65 yards. Glen Tews, the Foxes pounding fullback, added the extra point on an off tackle push.

Reedsville came right back to tie the score on a 60-yard drive, climaxed by Bob Stelzer's four yard run. The extra point came on a pass from Roger Matzke to Wally Wagner.

Omro took the lead in the second quarter and never relinquished it. They scored first on Tews' five yard crash at the end of a 65 yard drive. A 12 yard Miller pass to Dennis Pleck finished the 60 yard drive. Tews' runs for the extra point gave Omro a 21-7 halftime margin.

The two teams played most of the second half near midfield. The only score came when Reedsville's Joe Konitzer blocked a punt and teammate Chuck Wallander dropped on it in the end zone. The extra point was missed.

Tews, a 190 pound fullback, was outstanding for Omro, particularly in the first half. Stelzer and sophomore tackle Bill Foyle played exceptional games for Reedsville.

Bowling Tips

BY DON CARTER AND
MARION LADEWIG

Blister, Sister?

Sometimes an improperly fitted ball or a bad habit during delivery will cause a blister to form on even an occasional bowler's thumb. There are several remedies.

1. Have the ball altered slightly,

perhaps have one finger hole

plugged and redrilled, if necessary.

2. Have a qualified instructor help you eliminate the fault that causes the finger irritation.

3. Wear a special bowling glove.

Protective gloves have become popular in recent years. One

made especially for the thumb

often proves satisfactory.

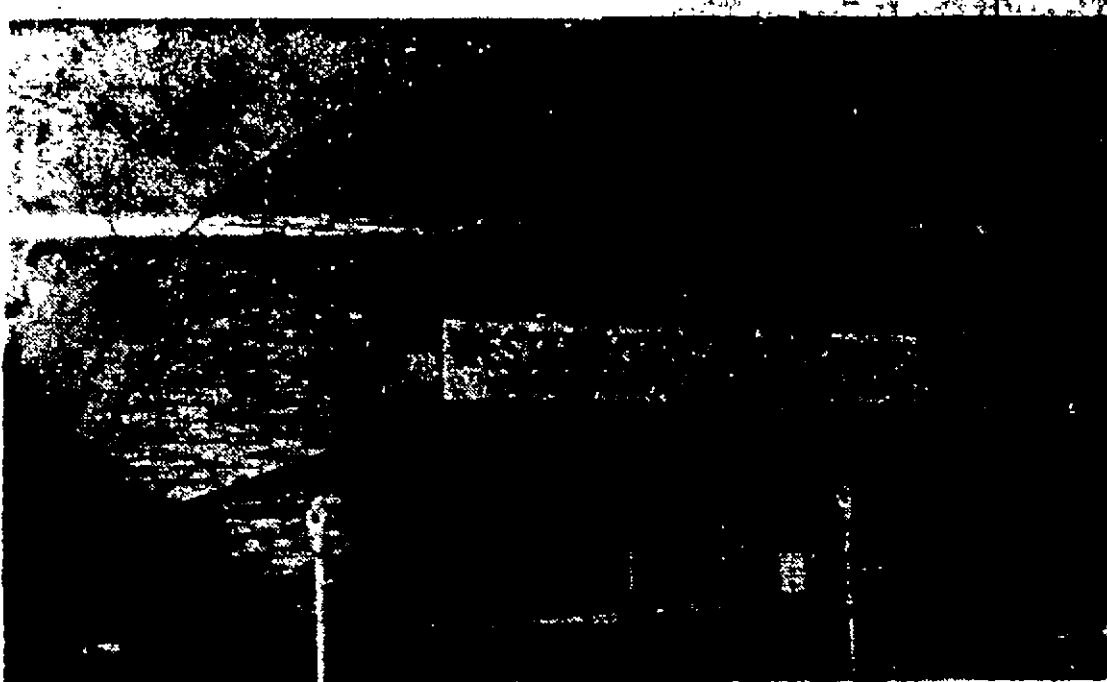

4. Use a special thumb cap.

5. Use a special thumb cap.

6. Use a special thumb cap.

7. Use a special thumb cap.

8. Use a special thumb cap.

UP TO 95% OF ALL CARS can be fitted with accessories, seat covers and the like, at 741 W. College Ave., Appleton. That's the location of the Big-Window WESTERN TIRE AUTO STORE, bigger and better than ever.

If there is such a thing as "In-dian Winter", we probably had it in early September. On several nights, the thermometer dropped down close to the freezing mark.

It was probably Mother Nature's way of alerting us that Old Man Winter is in the wings, waiting to make his entrance for this year.

And, for most of us, life must go on, regardless of the weather. We still have our jobs to do, our trips to take for business or family reasons, and the hundreds of other tasks that usually require an automobile. So, it would now. At Western Tire you'll find the beehive each of us to make sure, the family bus, old or new, is mostats and other parts required.

American Home Award Goes To McClone's

McClone Construction and Supply Co., located at the end of the four-lane highway on South Memorial Drive, recently received national recognition when they were named a Qualified Home Improvement Center by American Home magazine. The award is granted only to a locally-owned company providing the most complete and reliable service. McClone's offer a complete . . . under one roof . . . building service, unique in that it can take care of all your wants and needs, starting with an idea on through the final stages of decorating.

Ray McClone, president of the firm, has helped it to become one of the valley's leading home builders and construction supply companies. Working for the firm are specialized, highly-trained personnel who can offer the most complete service for any new construction or remodeling needs. "No job is too big or too small," McClone says. The policy of the company is complete supervision from start to finish. Easy terms and financing are available.

Ray Abel, designer and home planner, is well known for having designed many of Appleton's finer homes. His years of experience, in construction know-how, enable you to build the home you've always wanted or remodel the one you have. He works with individual design and gives it to you at the price you can afford.

Glenn Sieth is a kitchen designer and remodeling expert. Only years of experience such as his can give you the ultimate in kitchen planning and meet both your family needs and budgetary requirements. Let a kitchen specialist design the most important room of your home and show you prefabricated cabinets for quick installations. The Kitchen store, formerly located at Valley Fair, now occupies a large area in the lumber yard, displaying the ultra in kitchens, and offers seven lines of quality wood and steel cabinets.

A woman's viewpoint on kitchen design, remodeling or new construction, will give the project plan practical detail and that "new trend" look. Elinor Anderson is well known in the valley as a kitchen designer and remodeling consultant. Her services are available from the early plan period through the final stage of decor. Call Elinor to work with you on any of your ideas, for she will be able and eager to provide you with practical and realistic suggestions to meet your budget.

Bob Lueck is a Real Estate Broker associated with the firm. It is recommended that anyone interested in a new home have Bob show them some of his better built homes in the select areas of Appleton. He also has a choice selection of desirable lots in all parts of Appleton and surrounding areas. New homes are ready soon for an "Open House" to introduce some new and unusual features to the home-hunting public.

A phone call to Regent 4-4574 or 4-9288 will bring one of McClone's Home Improvement Specialists to your home, or if you prefer, they invite you to bring your prepared plans to their Display Rooms for discussion and pricing.

No, Virginia, "Canine Varieties" Isn't A Hootenanny

As many of you probably know, September 21st through the 28th is National Dog Week. The theme this year is "Deserve To Be Your Dog's Best Friend".

To honor dog lovers everywhere, and to give area folks a chance to look over the various most-popular breeds, Valley Fair will be hosting a special dog show this coming Wednesday and Thursday, September 25 & 26. The "Canine Varieties" show is under the direction of the Winneshiek Dog Club. Between the hours of 7:00 and 9:00 p.m., 50 or more dogs of at least a dozen different breeds will be on their best behavior in the Main Mall and Central Court of the shopping center.

The dog's owners and/or handlers will be on hand to answer questions on the various breeds displayed. There will also be an information booth set up, manned by representatives from the Animal Welfare League, The Outagamie Humane Society and the Winneshiek Dog Club.

This is another in the series of public service programs sponsored by the community-minded merchants of the Valley Fair Shopping Center. There's plenty of free parking, so bring the kids and come on out.

Curriculum Group To Okay Budget

Meeting at OSC Will Also Review Research Procedures, Projects

OSHKOSH — Executive committee members and board officials of the Fox Valley curriculum study council will meet at Oshkosh State College on Wednesday, according to James T. Hillestad, executive secretary of the group.

The Fox Valley council group represents schools at Ripon, Berlin, Green Bay, Omro, Menasha, Brillion, Brussels, New London, Kimberly, Wild Rose, Reedsville, Bonduel, Kaukauna, Neenah, Appleton, Oshkosh, De Pere, and Oshkosh State College. Purpose of the organization is the strengthening and improvement of curriculum and instruction in member schools through cooperative study and research.

Executive committee members will meet at 1 p.m. on Wednesday at Oshkosh State. The 2 p.m. meeting for board members will be at Reeve Union on the campus. On the agenda is the approval of the 1963-64 budget, review of research procedures, and the determination of research projects.

Committee Members

Executive committee members are Eugene Balts, Oshkosh; Lloyd S. Qualley, New London; Walter Schmidt, Kaukauna; William Spears, Appleton; Mrs. Esther Thrall, Green Bay; and Gaylord K. Unbehauen, Brillion. Committee members ex-officio are William Ernst, Madison and Dr. William White, Oshkosh State College.

Directors of the board include Robert L. Belle, Ripon; John F. David, Green Bay; Lewis Drobnick, Omro; Mrs. Amelia Forgie, Green Bay; Marvin Gegan, Menasha; Richard Hogstad, Brillion; Lloyd Jilot, Brussels; Ray Langley, New London; Darrell Larson, Kimberly; Jerry Le Fleur, Wild Rose; Robert Meissner, Reedsville; John Reinke, Bonduel; Walter Schmidt, Kaukauna; Dr. Donald Scott, Neenah; William Spears, Appleton; Perry Tippler, Oshkosh; James Trachte, DePere; Dr. William White, Oshkosh State; and Lawrence Zarnott, Berlin.

Executive secretary Hillestad is principal of the campus school at Oshkosh State College.

The council was constituted last year.

Neenah Church To Conduct Conference

Director of Asian Mission Group to Address Meeting

NEENAH—The annual missionary conference will be conducted at 10 a.m. and 7 p.m. daily, beginning Sunday and continuing through Sept. 29, at Calvary Baptist Church.

The Rev. Rochunga Pudait, executive director of the Indo-Burma Pioneer Mission with American headquarters in Wheaton, Ill., will speak at the children's church service at 10:45 a.m. and at 7 p.m. Sunday.

The grandfather of the Rev. Mr. Pudait was chief of a head-hunting tribe in Cachar, Assam in 1871 and enlisted other chiefs and their warriors to drive out the unwanted Scottish planters. In one afternoon the warriors had taken 500 heads.

'Sioux' Pastor

The Rev. Bert McBride of the Dakota nation of American Indians will sing and present the needs of the American Indians at the conference. He is known as 'Sioux', and has preached among the Chippewa Indians. Pastor McBride soon will move to South Dakota where he will establish a church.

The Association for Evangelization of the Jews will be represented by the Rev. Alwyn McClelland who will give a series of prophetic messages starting at the 10:45 Sunday service.

The Rev. Leo Lyle, state director of the Child Evangelism Fellowship, accompanied by Mrs. Lyle and one of their missionaries, will present the work of evangelization of the children of Wisconsin.

Sessions of the conference are open to the public and delegations from other churches.

3 Post Bond on Conduct Charges

NEENAH — A Menasha man and his wife and a Neenah woman were arrested by Neenah Police early Friday morning after a fight between the women.

Eugene Heindl and Amber Kay Heindl, 527 Sixth St., Menasha, and Janice M. Greil, 224 Smith St., Neenah, were released on bonds of \$450 Friday. Mrs. Heindl and Miss Greil were fighting at 912 S. Commercial St., police said.

All were jailed overnight. Miss Greil was first taken to Theda Clark Hospital for treatment of an injured nose.

The trio will appear in Neenah County Court Branch 3, Tuesday on disorderly conduct charges.

Autos Damaged in Two Neenah Crashes

NEENAH — There were no injuries but considerable damage in two separate auto collisions in Neenah late Friday.

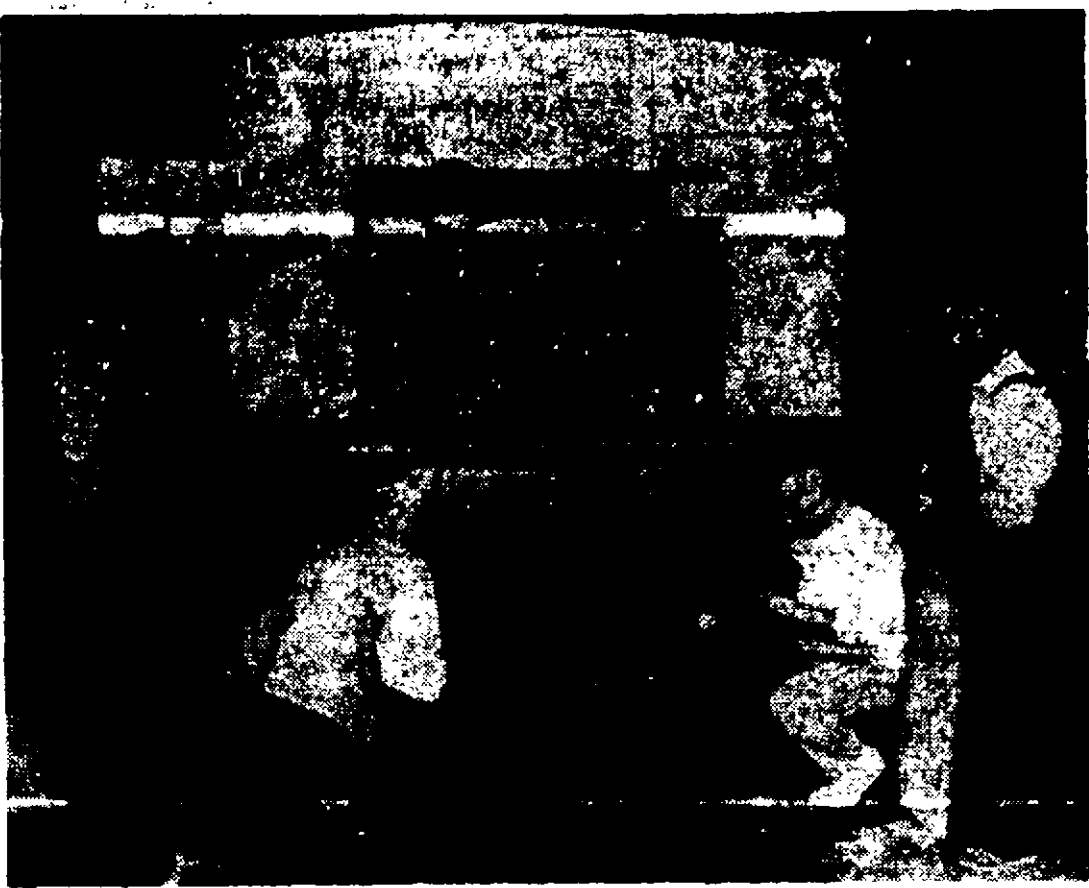

The rear end of an auto driven by Anita M. Schmidt, 128½ Denhardt St., Neenah, received damage at 7:40 p.m. when it was stopped at the Church Street and W. Wisconsin Avenue intersection and hit from behind by a car driven by Peter R. Sorensen, 19, route 2, Neenah.

A car owned by James F. Green, route 2, Menasha, was damaged at 9:30 p.m. Friday when it collided with an auto driven by Thomas C. Stelow, 19, 839 Quarry Lane, Neenah. The Green auto was parked at the time of the accident.

Appleton Motorist Injured in Accident

MENASHA — One person was injured and more than \$200 in damages caused in a two-car collision shortly after 4 p.m. Friday at the intersection of Ninth and Appleton streets.

Ruth Ann Nelson, 601½ Richmond St., Appleton, was advised to see a physician after she received a bump on her right arm when the car she was driving collided with one driven by Larry L. Olson, 21, 418 Sherry St., Neenah.

Volunteers Are Helping to rebuild the truck home of George Salas, Lubbock, Tex., which was burned out Friday night near Neenah as the family of eight was on its way home. A daughter, Olga, 3, was seriously burned. At the lower right is Kenneth Foster, Neenah policeman, working on the right tail light. Above him is John Huebner, chief of the Towns of Neenah-Menasha Volunteer Fire Department. (Post-Crescent Photo)

Bishop Bona Reassigns Six Green Bay Diocese Priests

New Pastors at Bear Creek, Darboy and State Hospital

New assignments of six priests in the Green Bay Diocese were announced today by the Most Rev. Stanislaus V. Bona, Bishop of Green Bay.

The appointments, effective Tuesday, include new pastors in Darboy and Bear Creek, and a new chaplain at the Winnebago State Hospital.

The Rev. William Rickert has been named new pastor of Holy Angels Parish, Darboy, to replace the Rev. Arnold Schmidt, who will become new pastor of St. Boniface Parish, Aniwa.

The Rev. Leo Schmitt has been appointed new pastor of St. Mary Parish, Bear Creek. He replaces the Rev. Robert Hogan, who has been named new pastor of Our Lady of Lourdes Parish, Marinette.

First Appointment

The Rev. Roy Crain, first full-time Catholic chaplain at Winnebago State Hospital, has received his first pastoral appointment as pastor of Sacred Heart Parish, Spruce, and its mission at Klondike. The Rev. Andrew Nelson, assistant pastor at St. Francis Xavier Cathedral Parish, Green Bay, will replace him as hospital chaplain.

Bishop Bona also has named the Very Rev. Msgr. N. Orville Griesse of Brillion new dean of the Calumet Deanery.

Father Rickert, new pastor at Holy Angels, Darboy, was born in Freedom in 1920. He graduated from St. Lawrence Seminary, Mt. Calvary, and St. John Seminary, Collegeville, Minn. He was ordained in 1945. He served as assistant and school administrator in St. Mary Parish, Menasha, from 1945 to 1958, when he was named to Sacred Heart Parish, Spruce, and its mission at Klondike. He has been diocesan director of the Rural Life Conference since 1959.

Ordained 1936

Father Schmidt, present Darboy pastor, was born in Sturgeon Bay in 1909. He studied in St. Norbert College and the Grand Seminaire, Quebec, and was ordained in 1936. He served as an assistant in Holy Cross Parish, Kaukauna; St. Margaret Mary, Parish, Neenah; Most Precious Blood Parish, New London; St. Joseph Parish, Sturgeon Bay, and Holy Rosary Parish, Kewaunee. He was a U.S. Army chaplain from 1943 to 1948, when he returned to the diocese and was named pastor of St. Anthony Parish, Tigerton. He has been pastor of Holy Angels, Darboy, since 1957.

Father Schmitt, new pastor of St. Mary, Bear Creek, was born in Two Rivers in 1917. He studied at St. Norbert College and the St. Paul Seminary, St. Paul, Minn., and was ordained in 1943.

Leaves From Chilton

Charlie House Strolls Into Autumn Today

CHILTON — Charlie House strolled off into autumn today.

The overcast gloom of the past two days had dissipated and September's bright blue skies smiled on the Post-Crescent reporter as he set on the first leg of his annual autumnal hike that will take him to Sturgeon Bay, some 85 miles from here. Charlie actually expects his meandering route will take him about 180 miles.

Somewhat like Christopher Columbus, who sailed west to get to the east, Charlie took off from here in a west by southwesterly direction to get to his north by northeasterly destination. His reason—the scenic route.

Charlie walked along U.S. 151 and on quiet tree-lined country roads to Quinney. He then headed north, bound for Stockbridge, Harrison and Sherwood. Before he left, Charlie drew on Police Chief Harry Thompson's knowledge of the area to direct him to little-known routes like the "Stoneybrook Road."

Charlie's uniform consisted of khaki trousers and a sport shirt. His hiking footwear would be readily recognized by any GI who ever toled a pack—a pair of well-polished combat boots.

Fortified with a hearty breakfast of scrambled eggs, toast and coffee, the hiking writer shouldered his pack and waved farewell to Chilton at precisely 9:07 a.m. today. Mayor Elmer Daun turned out to give the good-will ambassador an official send-off.

He served as an assistant at Sacred Heart, Shawano; Holy Cross, Kaukauna; St. Matthew, Allouez; St. Joseph, Sturgeon Bay, and St. Boniface, West De Pere. He became pastor of St. Boniface Parish, Aniwa, in 1957.

Directed Building

Father Hogan, present Bear Creek pastor, was born in Green Bay in 1914. He studied at Nazareth Hall Seminary, and the St. Paul Seminary, both in St. Mary, Minn., and was ordained in 1941. He served as an assistant in St. Mary, Appleton, and St. Peter, Oshkosh. He became pastor of St. Michael, Suring, in 1954, and of St. Mary, Bear Creek, in 1959. In Bear Creek he directed the building of a new school in 1960.

Father Crain, present Winnebago State Hospital chaplain, was born in Lebanon in 1918 and prepared for the priesthood in the Salvatorian Seminary, St. Nazianz, and St. Francis Seminary, Milwaukee. He was ordained in 1946 and served as an assistant in St. Mary, De Pere, and Annunciation, Green Bay. He was appointed chaplain at Winnebago State Hospital and the Alexian Brothers Hospital in Oshkosh in 1936, and in 1961 became the first full-time Catholic chaplain in residence at the Winnebago State Hospital.

St. Mary Menasha PTA To Hear Talk

MENASHA — Ronald Mammoser, president of the local chapter of Citizens for Educational Freedom, will speak at the kick-off meeting of St. Mary Home School Association at 7:30 p.m. Wednesday in St. Mary's gymnasium. Sylvester Simon, Home School Association president, will preside.

Mammoser will outline the aims and objects of the CEF program and explain ways and means by which it can be made effective through the cooperation of parents.

The Rev. Donald Stoegbauer will review "The Parental Guide for Christian High School Living," that is the 4-D program, dating, driving, drink and dress.

Mrs. Rodney Kiefer has been named chairman of the mothers' committee of the Home School Association. Mrs. Eugene Robinson, social committee chairman, and Robert Houlihan, athletic committee.

Post-Crescent Columnist Charles House ties his hiking boot prior to starting his colorful seasonal walk into autumn today. Charlie spent the night at Hotel Chilton and started about 9 a.m. today from there. He will be traveling throughout the Fox Valley area on his way to Sturgeon Bay. (Post-Crescent Photo)

Provincial Thinking Termed Waste of Time in Port Talks

Winnebago Attorney Retains Demand for Broad Facility Talks

Immunization Clinics at Schools Oct. 7

Health Department Seeking Permits to Vaccinate Children

Letters will be sent Tuesday by the Appleton school health department to parents of elementary school children needing diphtheria-tetanus shots or smallpox vaccinations.

The letters, which will be sent home with the children, ask the parents either to return permits for the children to receive the shots and vaccinations at the school clinics or to have this taken care of by the family doctor. The permits must be returned to the schools by Thursday.

The diphtheria-tetanus shot should be repeated every three years and the smallpox vaccination every five years, according to medical standards, said Miss Lucille Lang, school nurse. Letters are sent only to parents of children who need the immunization this year.

The school immunization clinics are sponsored by the Outagamie County Medical Society, which appoints doctors to conduct the clinics. Children attending the clinics will receive the stubs of the permit cards which serves as records of the immunization.

The clinics are held for children in kindergarten through fifth grade, and this year will be held from Oct. 7 to 16.

Miss Lang stressed the importance of keeping up the immunity level of the whole community, noting that outbreaks of these diseases do occur on occasion.

K of C to Plan Landing Day Party, Dance

KAUKAUNA — Plans for the Oct. 12 Landing Day dinner and dance will be discussed at a meeting of the Knights of Columbus at 8 p.m. Monday at the new club rooms.

Clarence O'Connor is in charge of arrangements. Tickets are available from members of the ticket committee. Also being planned is an auction to help raise funds for various projects. Keith Siebers is chairman.

Members to call if items are to be picked up are the chairman, Roger Leick, Tom Ashauer, James Schlude, Dave Kilgas, George Greenwood, Vincent Steffens, Vincent Ebben, John DeKoch, Ervin Rosin, Gerald Nyles, Donald Weissman, Jacob DeJong, Frank Huss and William Van Offeren.

Plans are underway for fall retreats to be arranged by Steffens and Siebers. Dave Kilgas will have charge of the program for Monday's meeting.

OSHKOSH — "Conferences in which provincial thinking dominates" were called "a waste of time" today by Winnebago County Dist. Atty. Jack Steinhilber.

A. W. Ponath, Outagamie County corporation counsel, had set a deadline of Sept. 19 for talks between Winnebago and Outagamie counties about the possibility of building a regional airport jointly. His remarks were in a letter sent to Steinhilber. The Winnebago study for long-range airport needs now being conducted for Winnebago County and on which a report is expected soon. He repeated Winnebago County's contention that it now does serve the entire span of communities from Appleton to Fond du Lac with commercial air service.

"In this we respectfully disagree with the revised statement of facts available."

'Ignore Obvious'

"If on the other hand, the only basis upon which you will meet is to discuss the proposals in the Leigh Fisher report (whose projections have now been questioned by the FAA) you are requesting Winnebago County to ignore facts which seem obvious to us. This Winnebago County cannot in good conscience agree to do."

(The Federal Aeronautics Administration Thursday reaffirmed its position favoring the Winnebago airport as a regional facility but said it would reappraise its position if Winnebago and Outagamie got together to build a new airport.)

(Earlier the Bureau of Economic Regulation, an arm of the Civil Aeronautics Administration, reversed its position and indicated that neither the Winnebago nor the proposed Outagamie airport would be acceptable as a regional airport. The bureau said Outagamie and Winnebago should get together on a site between Oshkosh and Appleton but close to Neenah-Menasha, which generates most of the air business.)

Broad Talks

Steinhilber continued, "If we recognize the situation as it exists and approach any discussion on a reasonable basis and with the willingness to listen to all sides, a discussion broadly conceived could be beneficial to us all."

The district attorney's letter was in reply to the letter from Ponath Aug. 29 and one sent to Chairman Joseph Drexler of the Winnebago County Board Sept. 11.

He opened his letter by saying he wanted to make several general observations regarding the correspondence between them and the problem of air service for the Fox River Valley.

First was that airport project development cannot be attained except over a long period of time and that Winnebago County has found that orderly development

of arrangements. Tickets are available from members of the ticket committee. Also being planned is an auction to help raise funds for various projects. Keith Siebers is chairman.

Members to call if items are to be picked up are the chairman, Roger Leick, Tom Ashauer, James Schlude, Dave Kilgas, George Greenwood, Vincent Steffens, Vincent Ebben, John DeKoch, Ervin Rosin, Gerald Nyles, Donald Weissman, Jacob DeJong, Frank Huss and William Van Offeren.

Plans are underway for fall retreats to be arranged by Steffens and Siebers. Dave Kilgas will have charge of the program for Monday's meeting.

Traffic Claims 3 More Lives

BY THE ASSOCIATED PRESS

The deaths of three persons have brought Wisconsin's 1963 highway toll to 612, compared with 659 on this date a year ago.

Frank R. Regutis, 40, of Sheboygan was killed early Saturday in the collision of two cars on Highway 141 about two miles north of Port Washington, Ozaukee County.

Ann Marie Dondlinger, 5, of Manitowish, was injured Friday when she darted into the path of a truck on her way home from school.

Robert G. Binczak, 41, of Ironwood, Mich., was killed Friday night when his station wagon left Vilas County Trunk K west of Boulder Junction and struck a tree.

Firemen Stand by While Shed Burns

KAUKAUNA — Firemen were called at 10:12 a.m. Thursday to the Grignon home where the caretaker was burning down an old storage shed and the flames got out of control.

Two firemen were assigned to stand by until flames subsided.

St. Norbert SAM Ties for Honors Among SAM Chapters

DE PERE — The St. Norbert College chapter of the Society for the Advancement of Management (SAM) has tied for first place honors among all SAM university division chapters in the country for its program during the 1962-63 year.

It is the second time in recent years St. Norbert captured first place in the national competition. The chapter will receive the Remington Rand citation and banner, along with \$175.

The award is given on the basis of the SAM campus program during an academic year. St. Norbert captured the maximum number of points, 5,720. It was tied with Ohio University, La Salle College, Los Angeles State College and Roosevelt University.

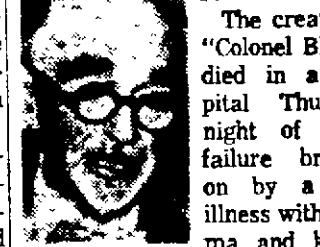

The St. Norbert chapter is affiliated with the adult SAM chapter in the Fox Cities, based at Appleton. Its purpose is to familiarize students with professional management techniques, and it does this through guest speakers, seminars and tours.

The 1962-63 student officers were Ronald Renier, Green Bay, president, David Benesh, Menominee, Mich., vice president, Douglas St. Martin, Milwaukee, secretary, and Dennis Depies, New Holstein, treasurer. The faculty adviser is Donald Schneider, lecturer in the St. Norbert business administration department.

Officers for the current year include Benesh as president, James Younk, Green Bay, vice president, St. Martin, secretary, and Michael Trimberger, Green Bay, treasurer.

Famed British Cartoonist Dead at 72

LONDON (AP) — Sir David Low, whose penetrating editorial cartoons never spared a public figure, is dead at 72.

The creator of "Colonel Blimp" died in a hospital Thursday night of heart failure brought on by a long illness with asthma and kidney trouble. He had been unable to work for the last four months.

Sir Winston Churchill, often depicted by the cartoonist as the Charles Dickens character Micawber, once described Low as "the greatest of the modern cartoonists."

His work was known the world over and Queen Elizabeth knighted him in 1962.

Tonight Fleet Street heaped columns of praise on Low, the one-time New Zealand farm boy who attained world fame working 33 years for another rugged individualist who deplored many of Low's ideas but gave him full freedom of action—Lord Beaverbrook.

"I wouldn't touch his policies with a barge-pole," Low once said of Beaverbrook. "And he thinks I'm a Red. But I'm very fond of him personally."

Churchill, Chamberlain, Baldwin—none of Britain's mightiest were too lofty to be punctured in Low's black-lined cartoons, often spread across half a newspaper page. Hitler and Mussolini banned his work. Many politicians who openly assailed Low secretly begged for originals of his cartoons, so flattered were they by his attention.

His wartime "Colonel Blimp"—a fat, mustached type mouthing pompous nonsense dating back to the Victorian era—put a new phrase in the English language.

Indonesia Severs Malaysian Relations

BOGOR, Indonesia (AP)—Indonesia broke trade relations today with Malaysia in retaliation against the new federation's severance of diplomatic relations with Indonesia.

Deputy First Minister Johannes Leimena said President Sukarno decided on the action at a conference with his aides at Bogor. Leimena said the break was directed particularly against Singapore and Malaya, the wealthiest members of the federation composed also of the former British Borneo territories of Sarawak and North Borneo.

Robert G. Binczak, 41, of Ironwood, Mich., was killed Friday night when his station wagon left Vilas County Trunk K west of Boulder Junction and struck a tree.

Appleton Police Seek Car Stolen From Drive

Appleton police were alerted to be on the lookout today for a car stolen from a driveway overnight at 1315 N. Meade St.

The 1962 model powder blue car is owned by the Sam Malofsky Motor Co. and had dealer's plates attached.
